

Thank you for booking your Princess Cruise with me!

Your cruise booking confirmation is attached to this email. Please review the details carefully and let me know if you have any questions or need additional information. I am here to assist you every step of the way. You can click on the pay now button on your attached confirmation to make payments.

As you prepare for your upcoming voyage, please keep the following important reminders in mind:

Passport Validity: Ensure your passport is valid for at least six months beyond your return date. This is a crucial requirement for international travel.

Name Matching: The first and last names on all your travel documents must match the information provided in your booking.

Princess Medallion App: I highly recommend downloading the Princess Medallion app. This powerful tool will not only allow you to complete your online check-in but also explore and book shore excursions, and unlock a world of cruise enhancements. It's like having your own personal cruise concierge at your fingertips. [CLICK HERE](#) for more information about the Medallion App

Cruise Enhancements: While options like specialty dining and entertainment may not be available until your final payment is made, it is important to start the online check-in process and reserve your shore excursions as soon as possible, as they may have limited availability.

Did Your Book Princess Plus or Princess Premier? [Click here](#) for tips and how to make the best of either package.
