As you prepare for your voyage, here are some intriguing facts about Viking Cruises:

- **Record-Breaking Fleet Expansion:** In 2014, Viking set a Guinness World Record by christening 16 Longships in a single day, showcasing their rapid growth and commitment to providing exceptional river cruise experiences.
- **Scandinavian Elegance:** Viking's ships are renowned for their Scandinavian-inspired design, emphasizing simplicity, minimalism, and natural elements to create a tranquil and sophisticated onboard atmosphere.
- **Inclusive Amenities:** Viking offers a range of complimentary services, including shore excursions at each port, Wi-Fi, wine, beer, and soft drinks with lunch and dinner.
- **Adult-Focused Experience:** Since 2018, Viking has maintained an adults-only policy, ensuring a serene and mature environment for travelers seeking a refined cruise experience.

Consider trip protection insurance for the added security it provides. If you opted not to include it with your booking, please be aware that we are not liable for any cancellation or change penalties, nor can we provide coverage during your vacation.

Why Travel Insurance is Essential for Your Cruise:

- **Medical Emergencies at Sea:** Cruise ships have limited medical facilities, and serious medical issues may require evacuation to the nearest hospital, which can be extremely costly. Travel insurance can cover these expenses, ensuring you receive necessary care without financial strain.
- **Pre-Existing Conditions:** Purchasing travel insurance during your initial deposit is crucial to ensure coverage for any pre-existing medical conditions. *Delaying this purchase may result in these conditions being excluded from your plan. If you do not purchase insurance at the time of booking, you may not have the pre-existing waiver.*
- **Non-Refundable Fees:** Cruise vacations often come with non-refundable deposits and potential change and cancellation fees. Travel insurance can offer reimbursement or vouchers for future travel, shielding you from these financial burdens.

We are committed to making your Viking Cruise a memorable and enjoyable experience. If you have any questions or need further assistance with your travel plans, please do not hesitate to contact me.
