Thank you for booking your air and land package with me! I'm excited to assist you on your upcoming journey. I want to provide important information and travel tips to ensure a smooth and enjoyable experience.

Review Your Confirmation

Please review the attached confirmation carefully as soon as possible. If you have any questions or concerns, don't hesitate to contact me.

Passport Check

- **Name Match:** Ensure that your first and last names on the booking match your passport.
- **Validity:** Verify that your passport is valid for at least six months beyond your return date. While some countries may not require this, passport validity requirements can change anytime, so we highly recommend this precaution.

Airline App Download

Please download your airline's app and link your airline confirmation if you haven't already done so. This will update you with possible schedule changes and provide real-time travel updates.

Frequent Flyer Number

If you have a frequent flyer number, please provide it to us before travel. Unfortunately, these cannot be added after your trip.

Non-Published Fares & Hotel Points

Our air and land packages are non-published fares, typically with discounted rates. Please note that many resort and hotel partners may not include bonus hotel points when booking discounted packages. The good news is you scored a discounted package by booking our vacation packages.

Airport Arrival Time

For all international and domestic flights, we highly recommend arriving at your departure airport at least three hours before departure to avoid any possible delays.

Payment Methods During Travel

We recommend using credit cards instead of debit cards for greater security during your travels.

Currency Exchange

For current exchange rates, please contact your bank.

As always, I'm here to help! If you have any questions or need assistance, please don't hesitate to let me know.

Thank you again for booking with me. Wishing you a fantastic trip filled with wonderful memories!
