

Hi there,

I'm unsure if you remember, but you have travel credits from a canceled vacation, and we don't want those credits to go unused.

Imagine yourself strolling along white sand beaches, exploring ancient ruins, or dancing the night away in an exotic destination. The possibilities are endless when you have travel credits ready to be redeemed.

However, it's important to note that most travel credits have a "book by" and "travel by" date, so time is of the essence. Keep those valuable credits from slipping away, so call me soon to start planning your next getaway.

As the famous travel quote goes, "The world is a book, and those who do not travel read only a page." Let's help you turn the page on your next amazing chapter.

Call me soon to start planning and remember they have a book by and travel by date.

Thanks,
