

The countdown to your incredible Royal Caribbean voyage has begun!

We know you're excited, and we are, too. To make sure your sailing is smooth from the moment you leave home, we've gathered all the key details you'll need for a stress-free departure.

### **Your eDocs Are Here!**

Your adventure officially begins with the **attached eDocs**. Please open them and take a look as soon as you can.

- You don't need to print every page! The only essential items to print are those with your **confirmation number** and **luggage tags**.

### **Passport and Boarding Information**

To ensure a seamless boarding process, please remember the following:

- **Passport Requirements:** All passengers must have a valid U.S. Passport that won't expire for at least six months after your return date.
- **Name Match:** Double-check that the first and last names on your passport match your cruise documents exactly.
- **Boarding Time:** Please arrive at the port at your assigned boarding time. The "all aboard" call is 90 minutes before the ship departs, so don't be late!
- **Carry-On Essentials:** On embarkation day, keep your **passport**, any essential **medication**, and other important documents with you in a carry-on bag. Do not pack these in your checked luggage.

### **Money Matters at Port**

When you're exploring the beautiful ports of call, we recommend using **cash** or **credit cards** for your purchases. Using debit cards can be less convenient and may incur extra fees.

- **Credit Card Hold:** Please be aware that on departure day, Royal Caribbean will place a temporary hold on your credit card. This hold will be released shortly after your cruise ends, provided you don't make additional purchases on the ship.

### **Don't Miss the Ship!**

While you're enjoying your time in port, keep an eye on the clock!

- **Local Time:** Pay close attention to the local time at each port.

- **Return to Ship:** You must be back on the ship at least **30 minutes before departure**. Our sailing schedule is tight, and we'd hate to set sail without you!

## Important Flight Details

Airline schedules can sometimes change unexpectedly. We do our best to monitor these adjustments, but the best way to stay informed is to be proactive.

- **Download the App:** We highly recommend downloading your airline's app and linking your flight confirmation number to it. This will give you real-time alerts on any changes, just like we receive.
- **Seat Changes:** If an airline changes the aircraft for your flight, it may result in changes to your seat assignments. We'll do our best to reassign seats when possible, but we can't guarantee it.
- **Let Us Know:** If you receive an alert about a flight change, please don't hesitate to contact us with any questions.
- **Frequent Flyer and TSA PreCheck:** If you haven't already, please send us your airline frequent flyer and TSA PreCheck numbers. Just keep in mind that these can occasionally be dropped from your reservation if there are any flight changes.

We're so excited for your upcoming journey and can't wait to welcome you aboard!

If you have any questions, feel free to give me a call!

Best regards,
