

I hope you are getting excited about your upcoming vacation, and now it's time to start finalizing your vacation plans!

As a friendly reminder, your final payment is due soon. To make things super easy, I've attached your confirmation to this email, which includes a convenient "Pay Now" button. You can always call, and I'll be happy to assist you.

Speaking of getting ready, let's talk passports! For all travel departing from the U.S., it's highly recommended that your passport be valid for at least six months *after* your return date. While some destinations might not strictly require it, having that extra validity is a smart move that can save you a lot of headaches. Additionally, it ensures that everything aligns smoothly with your cruise and/or air confirmations.

Additionally, your first and last names on all travel documents must match those on your passport. ***If you have any questions about specific document requirements for your trip, please don't hesitate to reach out. It's better to be safe than sorry and avoid being left at the pier or airport.***

If you have any questions, please don't hesitate to contact me. Please remember to make the final payment before the due date to avoid any last-minute issues.

Bon Voyage!
