

Sunset Rosary

The first "Sunset Rosary" for this year will be held on **Tuesday, May 31st**, beginning at **8:00 PM** in the grotto outside the social center by the Mary statue.

The rosary, which is an incredible intercessory prayer, will be said for the intention of the people of Ukraine. This devotion should last for approximately one-half hour, and in the event of rain will be moved to inside the church. Please consider taking these few minutes out of your evening to pray with us. This may also give you a chance to reacquaint yourself with the devotion of saying the rosary. No reservations needed...just your presence will be most welcome! Please bring a lawn chair with you if you wish to sit while the rosary is recited.
