

## DECREE

### REVISING THE PANDEMIC PROTOCOLS FOR THE CELEBRATION OF PUBLIC MASSES

Intending to maintain public worship while keeping people as safe as possible, as Bishop of the Diocese of Erie I hereby abrogate the pandemic protocols of July 15, 2021 and replace them with the following revised protocols for the celebration of public Masses in the diocese:

#### PRELIMINARY REMARKS

1. The use of all pews is permitted.
2. Pastors and others should presume people's good will in following these directives. They should not inquire of anyone as to whether or not they are vaccinated.
3. **Both for their protection and that of others, the following are strongly encouraged to wear masks while in church:**
  - **Those not fully vaccinated and those who are more comfortable doing so.**
  - **Everyone regardless of their vaccination status in counties where the transmission rate is substantial or high, for as long as that situation persists.**
4. Dispensation from the obligation to attend Sunday and holy day Mass ceases on August 15, 2021.
5. Livestreaming of Masses (both daily and Sunday) should continue wherever feasible.
6. Standing permission continues to be given to priests to trinate on Sundays and holy days and to binate on weekdays.
7. The use of confessionals continues to be permitted.

---

#### GENERAL NORMS FOR ALL MASSES

1. The following actions remain suspended:
  - Distribution of the Precious Blood
  - Placing of holy water in fonts
2. Entrance and closing processions are permitted, but not the offertory procession. The water, wine and hosts should continue to be prepared beforehand on a table in the sanctuary.
3. Priests may greet parishioners before or after Mass, provided that it is done outside and they do not shake hands.

4. The regular scheduled use of servers, lectors, musicians, and choirs is permitted.
5. The verbal exchange of the sign of peace among the faithful, *without physical contact except among members of the same household*, is permitted whenever it is considered opportune.
6. It is recommended that common surfaces be wiped down between Masses whenever another service will occur within 24 hours.

#### Entering and leaving

7. Parishioners who are not feeling well are to stay home.
8. It is not the pastor's responsibility to police who is attending.
9. The doors to the church are to be propped open before and after Mass when possible.

#### Seating

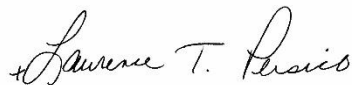

10. Nothing is to be in the pews. Hymnals and other similar items are not to be used.
11. Hand sanitizer is to be available at the church entrance for parishioners.
12. Collection baskets, with or without handles, are not to be used in the pews.

#### Communion Rite

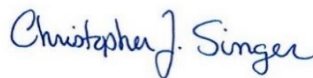

13. Concelebrants and deacons should continue to receive by intinction, except for the one who will purify the chalice.
14. **All those distributing Communion, both clergy and lay, are to wear masks during the distribution of Communion.** Only those who are fully vaccinated should assist with the distribution of Communion.
15. The Bishop strongly recommends Communion in the hand, but the right to receive on the tongue remains in place.
16. It is recommended that those approaching for Communion should sanitize their hands before entering the line to receive Communion.
17. There is to be a table with purificator or ablution bowl and hand sanitizer at each station for the distribution of Holy Communion. Those distributing Holy Communion who accidentally physically contact a communicant should wipe their fingers on a purificator or use the ablution bowl, and then use the hand sanitizer before proceeding to the next communicant.

I direct that this Decree be published and take effect August 14, 2021, anything to the contrary notwithstanding.

Given at the Chancery  
of the Diocese of Erie  
on this 11th day of August, 2021

The Most Reverend Lawrence T. Persico, JCL  
Bishop of Erie

The Reverend Christopher J. Singer, JCL  
Chancellor
