WELCOME TO OUR PBX PHONE SYSTEM

Please call VTS at (540) 463-4451 to obtain information on how to log into your domain, extension and password. Once you have that information point your browser to the following domain inserting your domain, example:

https://yourdomain.vatelephone.com

Use your extension number for user name and the password you requested

Once logged in your screen will show all available extensions on the domain and the status of your extension
