

Hurricane City Emergency Services

Invites YOU to participate in the

EMERGENCY PREPAREDNESS DRILL

September 26, 2024

**** NOTE: (This drill is sponsored and put on by volunteers in your neighborhood) ****

Before the drill, please be sure your home has a **Red/Green** card
to hang on your door on the night of the drill.

If you do not have a card, contact your block captain or area emergency preparedness specialist.

Block Captain: _____

Emergency Preparedness Specialist: _____

THE DRILL NIGHT – Sept 26th

- 6:00 pm - the drill begins
- Please hang your **Red/Green** card – GREEN SIDE OUT - by 6 pm
- Block captains will go through their assigned areas to check if your green card is hanging on your door
- They will only note that your card is **green**

*(In case of a real emergency and if you were in need of help – you would hang the card with the **red** side out. The block captain would find out your needs, and alert Emergency Services!)*

- Reports of houses accounted for will be compiled with other neighborhoods in our area and relayed to Hurricane City Emergency Services.
- The time needed to count every household in our area will also be noted

This drill is an important part of our area's preparedness for emergencies or disasters. The count will be compiled with Other counts from our area and relayed to Hurricane City Emergency services. In case of a real-life emergency, proper help can be sent out to our citizens!

Thank you for your cooperation in our efforts to Be Prepared!
