

Dear Prayer and Financial Supporters,

Rusty Russell and I (Dennis Nelson) were able to accomplish all that God had sent us to do in Haiti. On Thursday and Friday, we had 159 registered pastors where we encouraged and demonstrated the gifts of the Holy Spirit. The second day was very long from 930 to 3 with only two short breaks. What endurance patience and hunger of these pastors who were desperate for a new anointing of the Holy Spirit. We taught on the need to pray and speak Apostolically over the Nation, Village, Churches, Families and people. We demonstrated how to yield to the Holy Spirit in Prophecy, Word of Knowledge, Working of Miracles and Healings ~ with activation! The pastors stepped out in faith with Words of Knowledge for healing. They prayed for deaf ears to open, and pains to leave. All testified they were healed! Thank you, Jesus!

We were addressed by the new Haitian First Prime Minister Amos Andrew who is a Pastor. He said that the government is about to vote on same-sex marriage and it is the time for the Pastors to stand up and SAY NO!

I shared how to Pray and Declare from our Position with Christ in the Heavenly places and on the importance of making Apostolic Declarations. As we understand the Calling of God in our life, and the Responsibility He gives us so we can apostolically and prophetically declare by praying God's Heavenly will be established on earth.

On Sunday we were very limited on speaking time and Rusty spoke on the five signs that follow all those that believe. Mark 16:15-18 NKJV "And He said to them, "Go into all the world and preach the gospel to every creature. He who believes and is baptized will be saved, but he who does not believe will be condemned. And these signs will follow those who believe: In My name, they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover." After the message, we demonstrated as Rusty called out words of knowledge for some who needed healing: 20 with pain in neck unable to move from side to side, 15 lower back pain, and 5 with deaf ears. Rusty called me to get down front and to start praying for those with deaf ears. One by one each ear was opened and healed in the name of Jesus. Thank You Jesus.

Now for long term thinking. Rusty and I asked ourselves how we could make a greater commitment to the nation of Haiti.

On 07 07 2007, Pastor Rene Joseph helped lead and unify a group of ministers, pastors, church members, and governmental official that prayed and dedicated the nation of Haiti, all its people, and lands to the one true God, Jehovah. In 2010 earthquake brought devastation to the nation, infrastructure, and

the 13,000,000 people. Yet, God has continued to pour out His Spirit spreading revival throughout the land. The nation was about 30% Christian prior to the devastation and now has grown to where 50% of the population profess Christ. These were seminal moments in the spirit world and we believe now is the time to strike the match.

Because of the new Christians and leaders training and materials are in desperate demand. Rusty and I are considering translating foundational bible studies into Creole and possible French. We would start out small maybe 200 studies to the main teachers and then gradually to a larger roll out. Pastor Rene believes we could distribute 5,000 studies within three years. The resources, logistics, and funding will have to be in God's hands to make this kind of impact upon the Christian Church in Haiti.

Thanks again for joining Rusty and me by making the nation of Haiti part of your inheritance. Amen!

Dennis Nelson
