**Sunday Medellin at La Casa Inglesia** - We are being hosted by Pastora: Nincy Bejarano Dominguez and family John Jairo, Nelson, and Daniella. Sunday's message was about how we need to extend forgiveness just as Christ has forgiven us. We prayed for miracles and a man's cataracts and cancer, a woman's lame leg and back, a man's shoulder and arm were all instantly healed. Many more were healed as we prayed for all.

**Monday to Centro Alegre** - I awoke without my voice and called missionary Rusty while teaching a class in Hong Kong and through their prayers my voice was restored enough to whisper and was full enough to speak on Tuesday evening. Amen. The class in Hong Kong decided to pray for our mission and this is what they said God was speaking. "Enlarge the place of your tent; Stretch out the curtains of your dwellings, spare not; Lengthen your cords and strengthen your pegs. For you will spread abroad to the right and to the left. And your descendants will possess nations and will resettle the desolate cities." (Isaiah 54:2-3) I the Lord declare you shall possess the nations. The desolate cities that the Lord put into your hands will be resettled for the glory of God! Amen. The team was joined by Pastor: Dario Bejarano Domínguez and Olimpo Gilma Bejarano Perea. The ten of us were comprised of two mother daughters, two father son teams, and two more. I believe we are in a special move from god a Kyrios moment. We are in a God time. Although, the enemy cast spells upon us the arrows will land at our feet.

**Tuesday culto Iglesias Centro Alegre** - David presented the animated version of Ben Her and the Jesus movies to over 40 children afterward he presented the children with back packs and clothing. The local church had been inviting the village of 2,000 to the evening meeting with over 200 adults attending. God's mercies were showed in a mighty way with over 30 salvations including three witches forsaking the powers of darkness for the Light! We then prayed for miracles a deaf was opened, two broken pelvises and two people with migraines were healed and many more miracles with great out pouring of Holy Spirit. Glory to Dios! Before leaving the next morning we had a special meeting for the church members. One woman came stated she wanted to be healed and as she believed in faith God healed her and others.

**Wednesday Iglesias in Necocli** – We held an evangelistic meeting at the cities community center with 45 attending and 20 professing Christ for the first time. This was a difficult meeting as two witches tried to disrupt God's plan. David was attacked with a sickness prior and had to leave. To overcome the battle, we stopped the meeting worshiped and then had the team pray for everyone. Pastor Dario and Nincy led both witches to Christ while ministering liberations to their souls. Although, I was weak during the meeting afterward my body succumbed to the same illness for 12 hours both David and I were very sick.

**Thursday casa in Necocli** - The team awoke by taking a morning swim in the Caribbean. We then drove 45 minutes to meet one man Daniel who 4 months prior had just started to read the bible. We prayed and He is now in the Kingdom. After this Pastora Nincy decided to pray for both of us anointing us with the holy oil of gladness and over the next 11-hour car ride

back to Medellin we both regained our strength and were healed. The local pastor's 3 bedroom one bathroom apartment seemed to expand to accommodate the 10 team members and his family of 5.

**Friday Medellin at La Casa Inglesia** - Lucia brought us around the city and we enjoyed to gondola ride up the top of one of the mountains, 7,100 feet. That evening at church we shared all the great things of the week and how we are all co-laborers en Christo each of us sharing in the rewards and future inheritances.

**Saturday Medellin** - David and I were supposed to leave early in the morning but had to take a late red eye flight instead. So we needed to fill 14 hours so Pastor Nincy decided we should see more of Colombia and took us on a 12-hour tour to see all of the cities in the mountains around the airport.

We thank all of you for the prayers and contributions made this a very successful mission. May Jehovah, ""Enlarge the place of your tent, and let the curtains of your habitations be stretched out; do not hold back; lengthen your cords and strengthen your stakes. For you will spread abroad to the right and to the left, and your offspring will possess the nations and will people the desolate cities." Isaiah 54:2-3 God is giving us this land, the territory, and these peoples. AMEN!  
Gracious Senior!
