Centro Alegro plant has gone through 4 pastors because of attacks from witchcraft. Nincy had the vision of Diablo Satan. All the animals have died, and snakes have manifested in homes (witches).

Wednesday 11/2

Dario and I experienced the heavenlies and visions with soaking music. I had two images of people's faces that I would eventually see and minister deliverance. Something took Dario to the second heaven, and he flew over Medellin. Later, we met a family for prayer ministry George, a former henchman for Pablo Escobar.

#20 people @ Church with worship and prayer through the soul spirit to Holy Spirit from James 4:5.

P. Laura arrived early on Thursday AM.

Thursday 11/3

Lunch with P. Nincy, communion with Olimpo, Nincy, and Dario. We discussed how Mission River can help. P. Rusty's words: "Maybe need a Holy Ghost Conference at this place bringing in big HOLY GHOST GUNS like yourself and Laura and others... and go to the four corners of the city and drive a wood stake in the ground, pouring oil, wine, and salt at that point and reclaim the city for Jesus and place warrior angles at each corner a set looking outward of the city and a set looking into the city and then find the city center and there hold a Communion includes all the churches leaders in town to this service and claim the city for Jesus! Just saying...Satan is a defeated foe for sure, we would be proclaiming Psa, 149 over city..." "Hallelujah! Praise the Lord! It's time to sing God a brand-new song so that all his holy people will hear how wonderful He is!"

Dario's family is pleased about moving to the church plant location, his daughter had a phone stolen, and drugs are prevalent in the children's school.

Friday 11/4

Married Conference to 5 couples, 18 singles. After the service, we called JC in Cancun and arranged the Mexico City mission and church plant survey.

Saturday 11/5

Continued the Married Conference by praying over each person individually #20. The Holy Spirit worked by breaking chains and through words of knowledge.

Sunday 11/6

P. Laura preached "Love Even When It Hurts" to #50 worshipers. Afterward, we separated the 12 men 12 and 25 women, with 25 praying for each. I met and prayed over Rio Negro church plant Pastoral Family.

Monday 11/7

R&R visited Guatape, climbed the Rock 656 feet, 708 steps, praying over the nation. On the return, we stopped at a hospital to pray for a young girl's and grandma's healing.

Tuesday 11/8

We did a morning walk around the city. Dennis shared testimony to 35+ men at a Christian drug rehab facility, with 25+ declaring Jesus as their Lord and Savior. We had a unity meeting with P. Nincy, Dario, and A. Olimpo and talked about three more church plants near the Pacific coast.

Wednesday 11/9

P. Laura departed early AM on an earlier flight back to the USA. She is called the "Honey" woman by the Spanish ladies, meaning a person who speaks grace, mercy, and peace. The pastor has asked her to come back and continue and expand this ministry to women. Later that morning, I (Dennis) attended a citywide Pastors' meeting with a guest Korean Pastor. Mission River gave Nincy \$250 for the C.A. Church plant to replenish animals that were cursed and killed, sponsored P. Dario's M.C. Mission with Rusty and J.C., did soaking music inviting the presence of the Holy Spirit. Many have visions and visitation, and one young man was taken into the presence of Jesus, I (Dennis) was lifted like waves into the sky.

Prophetic Word by P. Nincy FROM GOD TO DENNIS: "And I will fill your heart with something powerful called supernatural grace, and I will put it on, and even though you have it, I will give it more. You will no longer be the one we see now because I am going to move you. My presence will be so much with you that you will dance before me. You do not stop the movement of my spirit in your life, your body will move, and my spirit will do signs and wonders through you. I am the one who filled your heart, I fill it, and I give your hands more provision of your waist. I take center because I am going to give you strength, a lot of strength so that you walk because a long road awaits you, a long road awaits you my son. I am the one who blesses your life. The son (David) you have pleases me greatly. I like him greatly. When he goes up in the air, he looks at the firmament and tells me there you are, and I look down at him. I am delighted. I delight in his heart, an adoring heart and a willing heart, the silence of his heart belongs to me, and he gives himself to me every minute. When he takes these planes and goes to them, he only tells me I am with you and if I labor is with you, but he is safe in my hands, I will glorify myself in your son, do not forget, I will glorify myself even more in you, and I will give signs and wonders that follow you..." (P. Nincy November 2022)

Thursday 11/10

I cleaned my teeth at one of the church member's dental offices, saving me \$500...I went to a house home meeting, and Dario taught the group about the spirit to Holy Spirit communion.

Friday 11/11

I had a divine meeting with P. Dario's first pastor, Carlos, and was invited to attend and encourage 80+ youth and young couples in prayer. Later, I prayed over Candy with words of knowledge from God to break the yokes of bondage.

Saturday 11/12

I took P. Dario's family to climb the Rock of Guatape but got stuck on the return through the mountains in 3 hours of traffic due to a mudslide.

Sunday 11/13

Before church, I prayed for liberation over my translator Nathanael.

I taught and shared communion at church with 5 declaring Jesus as Lord and Savior. A. Olimpo and another pastor prayed over me and the end of the church. Meet with Candy and continued prayers for liberation. That evening we met with P. Carlos and his wife, who agreed to be Dario's mentors for the Rio Negro church plant! This made the mission complete!! Amen!!! Thank You, Jesus!
