

## 2023 Rio Negro, Colombia Recap

### Friday

Good meeting last night in Rio Negro Colombia, several healing miracles and deliverances. I am here helping to birth a new church plant. Thanks for all the prayers and financial support. The video shows the woman's tendinitis healing. Amen Thank you, Jesus, the god who heals.

### Saturday

Last night, over 20 people participated in the launch of the Rio Negro church, including Firm Foundational training, communion and a dinner. We were 7050 feet on top of the Andes mountains. Thanks for all your prayers. Pastor Dario and I will do prayer walks about the city and home pastoral care visits today and Monday. Shalom. God is Good!

### Sunday

Pastor Dario and I did a prayer walk to five locations, decreeing and proclaiming the Lordship and salvation for all of Colombia. We offered incense (prayers), salt (covenant), fruit of the vine (blood of Jesus), and anointing oil (Holy Spirit) at each location in and around Rio Negro. God placed a black and white feather as confirmation of our purpose at the first location.

Please see some of the prayers below and agree that the Lord will save the people of Colombia. AMEN> Shalom.

### Monday

Thanks to your prayers and support, God has opened two homes in strategic locations around RioNegro to be the first of many House churches. Pastor Dario will soon be renting a one-bedroom apartment in the area to spend 3-4 days a week building this network of believers to expand His Kingdom. Amen! Shalom.

Elizabeth's Spiritual Dream Sunday night after Dario's and my prayer walk:

Dario: The dream of my wife Elizabeth, the three of us were walking through different places, and unclean spirits came out to meet us, fornication and adultery, satanism, witchcraft, sorcery, many people possessed and as if asleep, these spirits wanted to attack us, and we rebuked them in the name of Jesus Christ, and they neutralized themselves and left...

Elizabeth's interpretation: My wife says it is necessary to pray a lot about this, since God is showing that there will be many future confrontations with demon-possessed people and territorial spirits of great hierarchy in the world of darkness. God's backing was terrific in this dream, but God warns us to start praying from him and against these spirits.
