Pastors Report: *Dearly Beloved, Greetings of Shalom from Nepal! God's goodness is constant and unwavering. We give thanks to God for His lovingkindness, guidance in our youth ministry, and the protection we experienced throughout our six successful years. We're deeply grateful for your love, prayers, and support in furthering God's Kingdom in Nepal. We're so grateful for your support; it inspires us to complete the Great Commission. We are getting a new opportunity to extend our branch training*

center in Chitawan where our growing church is located. It is 165 kilometers away southwest from Kathmandu. There is a 30 square metres land with three rooms and one kitchen for sale. We are praying for it. The place is in a remote area. We will have more opportunities to equip different churches and leaders. Many of them are not really trained and educated. They cannot leave the place. The church leaders are willing to get biblical knowledge. This will be our opportunity to reach different people groups. Our Pastor and leaders are encouraging us to move forward to make training center in different parts of Nepal. Pray for our equipping and church plant ministries, may the Lord bring more opportunities to make disciples for the nations. May the Lord use us to expand the Kingdom of God. More places. Pray for more souls when we involve in youth centers (Bhaktapur and Butawal). May the Lord bring more youths to learn music and prepare their heart when we share the good news of our Savior. Pray for Nepal and pray for us for God's protection when we travel. We are praying for you. We thank you so much for your prayers and support to serve God in Nepal. God bless you. Serving together in Christ. From the Nepali Christians! (Nepali Church Planter)

Jesus is the hope of the nations. Please join the team through prayer and financial support. All who participate in this mission are part of the team, and as King David and Jesus taught, you will have an equal share in the harvest and eternal rewards! AMEN!!

In Christ, Dennis, Rusty, Besty, and Mark

Heavenly Father, I beseech You to make Nepal our inheritance, extending our dominion to all four corners of the land as Yours. O God I ask that You do a new thing for the NEPALESE. Behold, You will do a new thing; and as it springs forth like a river in the desert, the wild beasts will lie down together, and all the people will honor You for giving the living waters of the Messiah, Jesus the Christ. AMEN! (Psa. 96:2-4; 24:1; 2:8; Isa. 43:19-20)

May the Lord instruct Nepal's youth at the conference, granting them lasting peace as His children. That the NEPALESE who have walked in darkness and not seen the glorious light of Christ will have the light of salvation and liberation shine upon them. O God, grant this nation a bountiful spiritual harvest, leading to great celebration as Your kingdom grows. We now rejoice and will be glad to claim these spoils through the works of Your Holy Spirit. AMEN!

Behold, may this nation of NEPAL no longer toil in works that are destroyed by the fire. Yet, we declare this is the moment these individuals will receive complete knowledge and glory from the Lord Jesus Christ. For the enemies of the Lord will not hurt or destroy this Holy nation of NEPAL. AMEN! (Isa. 54:13; 9:2-3, 11:9; Hab. 2:13-14)

God, Your decree is that all places of pagan worship—high mountains, hills, and groves—will be destroyed by fire. We seek God's intervention to remove the demonic entities and graven images from NEPALESE. Your throne stands firm on righteousness and justice, even when enveloped in the clouds of darkness. We rejoice in the Lord Holy One of Israel. AMEN! (Deu. 12:1-3; Psa. 97:2-6; Isa. 41:14-16)

In these days, may the righteous flourish and peace abound until the moon is no more! We proclaim God's dominion from mountain top to mountain top and from the rivers to the territorial ends of Nepal. That this nation's enemies will bow down before Jesus the Christ, and the evil powers and principalities over Nepal lick the dust!

By the Blood, the Cross, and the Empty Tomb, we claim this nation of NEPAL and all the NEPALESE for the Lord God Almighty! AMEN! AMEN!! AMEN!!! (Psa. 72:7-9)

In the name of Our LORD JESUS CHRIST,
We plead and seal these prayers with the Blood, the Cross, and the Empty Tomb,
Over these Missionaries, Pastors, Translators, Nepalese, and the Prayer Teams.

AMEN!
