

Patent Marking Notice (Pursuant to 35 U.S.C. § 287(a)):

The following products are protected by one or more patents in the U.S. and may be protected by patents in other jurisdictions. This website is provided to satisfy virtual patent marking provisions, including the virtual patent marking provisions of the America Invents Act. This page is intended to serve as notice under 35 U.S.C. § 287(a). The following list of products may not be all-inclusive – other products not listed here might also be protected by patents. Each product below is associated with at least one U.S. patent.

US Patent Office website: <https://www.uspto.gov/patents/search/patent-public-search>
