ALARA USA INC, at its option, will repair or replace free-of-charge any part or parts found to be defective in material or workmanship **under normal use** for the warranty period from the original purchase date or, if that date cannot be established, the date of manufacture. This includes a warranty against operational failure for the same. This warranty is void if the product is not installed and used in accordance with the operating instructions, has been subject to alteration or damage, or is defective due to service or repair. This warranty does not ensure that the product remains usable for the warranty period, since the life of the product is dependent upon the manner and the frequency of use.

Repairing or replacement is the purchaser's sole remedy under this or any other warranty on the product, whether express or implied. **ALARA USA Inc shall not be liable for any incidental or consequential damages of any kind. ALARA USA Inc expressly disclaims any implied warranty of merchantability or fitness for particular purposes after the warranty period.** Some states do not allow the exclusion or limitation of incidental or consequential damages and some states do not allow limitation on how long an implied warranty lasts, so the above exclusion and limitations may not apply to you.

To make a claim, contact ALARA USA Inc, at www.alarusa.com. Repair or replacement of the product, if found to be defective, will normally be completed within sixty (60) days after receipt. The purchaser will be responsible for shipping costs to ALARA USA Inc.
