## MAGIC SUMMER CAMP

## FREQUENTLY ASKED QUESTIONS

## MAGIC SUMMER CAMP

Kansas Department of Transportation's (KDOT) Mentoring A Girl In Construction (MAGIC) Camp is designed to offer high school age girls the opportunity to learn about the countless avenues of employment that are available to women in the construction and transportation industry. This opportunity to gain marketable skills in a non-traditional industry for women will help the youth to build self-confidence as they explore numerous career opportunities.

### COSTS

MAGIC Camp is FREE to registered youth thanks to KDOT and other community partners. All participating campers will receive a free camp t-shirt, pink hard hat, safety glasses, a tool kit and more.

### IF ACCEPTED

Participants MUST commit to attend and participate ALL five camp days.

Participants must wear appropriate attire & closed toes shoes. Provided t-shirt must be worn daily.

Consent/Waiver and photo release forms must be completed and signed prior to day one.

### Why should I go to MAGIC Camp?

- ◇ Make new friends, learn new talents, discover new interests through hands-on activities, and explore career options in the construction industry.
- ◇ Meet and interact with successful women working in all phases of construction.

### Who can go to MAGIC Camp?

- ◇ This 5-day camp is for young high school women. All participants must be 14 years of age by June 1, 2018.

### What will I get out of MAGIC Camp?

Participants will gain greater self-confidence, self-esteem and a "can-do" attitude as they are exposed to various industry opportunities. They will meet and interact with women business owners and construction workers; as well as participate in a number of hands-on activities and supervised field trips.

Provides a supportive and gender-neutral environment for high school girls to explore and develop basic skills in the areas of safety, carpentry, electrical, transportation/highway construction, and other trade skills.

Develops a safety-first attitude and "we can do it" mindset through speakers and activities with women in construction.

Introduces girls to women role models who have achieved success in many areas of construction. From tradeswomen to engineers, architects to accountants, supervisors and business owners to clerical support, campers learn there is room in the construction industry for their dreams too.
