FADE IN:

INT. HOME-DAY

Do IT All DAD watches his three children jump into a pillow castle of their creation.

DO IT ALL DAD

(V.O)

If all good things are wild and free. Then why are my parents, in laws and fake news friends from high school embarrassed about me being a stay at home dad? Whose written 2 books, 322 blogs and done 129 podcasts while looking after 3 kids for 3 summers in a row with no AC or grandparent babysitting relief in sight. John Lennon wishes he was this productive during his stay at home dad years.

DO IT ALL DAD (CONT'D)

(V.O)

Country star Charlie Daniels said, he would've quit the road if his only son ever asked him. But he never grew close to 3 sweeter, funnier, more infinitely magical versions of himself for any extended period of time, providing way more divine powered joy than fiddling with his fiddle ever did. But God didn't give me 3 kids to have a panic attack over it. Obviously, he never had the same confidence in you.

CUT TO:

INT. DINNING ROOM-NIGHT

MATILDA takes a bite out of Do It All Dad's homemade pizza.

MATILDA

Daddy, I know you really want to be a comedian but can't you be a pizza maker in Heaven instead?

Younger brother ARTHUR takes another bite from Do It All Dad's homemade pizza.

ARTHUR  
I agree with Tilda, this pizza is  
really yummy Dada.

Baby Samuel takes a bite from the pizza before launching into a yummy dance, darting around the entire floor multiple times in a row.

DO IT ALL DAD  
Is someone doing the yummy dance in  
Do It All Dad's honor?

Now all three of Do It All Dad's fuss free for the most part, celestial beams of light, circle the dining room through the kitchen and around again.

ARTHUR  
Yummy, yummy, yummy.

MATILDA  
Best daddy ever.

Baby picks up a toy light saber and starts riding it like a broomstick horse.

BABY SAMUEL  
Ninjago penis.

Everyone in the room laughs.

DO IT ALL DAD  
Everyone sit down before Dada's  
burrata bomb pizza supreme get's  
cold.

MATILDA  
Dada, what's burrata?

DO IT ALL DAD  
It's creamy filled mozzarella,  
offering more decadent shishy bitch  
bites.

BABY SAMUEL  
Shishy bitch.

DO IT ALL DAD  
I deserve that. I have to remember  
the rule, if I curse, baby will  
repeat it.

BABY SAMUEL  
Shishy bitch.

Baby Samuel cracks himself up.

ARTHUR  
Funnier dad, happier baby.

DO IT ALL DAD  
So I didn't want to bring this up before mama went to work. But Dada, can't even pay a book reviewer to review his book Do It All Dad Does Jokes, because it promotes "hate speech."

MATILDA  
What's hate speech Dada?

DO IT ALL DAD  
Making fun of Obama nuke gifting Iran to make their economy less reliant on the sale of hair removal creams for the Kardashians.

MATILDA  
Are you freaking out Dada, because mom said get a job or move out? Is that why you call mama a fake feminist when you're doing jokes at the deli Dada?

DO IT ALL DAD  
Kids, what do I always tell you?

MATILDA  
Money equals freedom. And you have none, so that's why your stuck doing a stand up comedy podcast for free?

ARTHUR  
Dada, you better be funnier than Weird Al by Christmas or else I'm killing you with our sharpest knife for real.

BABY SAMUEL  
With my Ninjago penis.

CUT TO:

INT. TV ROOM UPSTAIRS-NIGHT

Let It Ride plays on the Amazon cloud. Internet goes out.

BABY SAMUEL  
Internet is out.

DO IT ALL DAD  
Gevalt.

Baby Samuel takes his sock off and throws it at the TV.

BABY SAMUEL  
Gevalt.

Matilda throws off her hair band and throws it at the TV.

MATILDA  
Gevalt, useless Internet.

Arthur takes off his shirt, and throws it at the TV.

ARTHUR  
Gevalt, hey Alexa, play Let It  
Ride.

ALEXA blares red.

ALEXA  
Sorry, right now I can't find an  
Internet connection.

ARTHUR  
Alexa, throw yourself out the  
window already.

Do It All Dad bends down in a farting position with his back facing the TV and proceeds to jump up and pretend fart in it's direction.

DO IT ALL DAD  
Gevalt Alexa, take that.

Do It All Dad makes farting noises with his mouth as he claps his hand underneath his armpit to make more farting noises as he jump farts in the general direction of the TV for kids' amusement.

DAUGHTER  
Controlling or kids with comedy,  
can make our kids great again.

Daddy plops down on the Alphabet mat on all fours.

Baby Samuel hops on Do It All Dad's back.

BABY SAMUEL  
Ride horsey, yah.

Arthur hops on Do It All Dad's leg, Matilda jumps on the other.

DO IT ALL DAD  
Horsey drank too much coffeey.

All 3 kids laugh. Do It All Dad bucks his legs in a make believe hyper speedy fashion.

DO IT ALL DAD (CONT'D)  
Horsey's freaking out from drinking too much Nespresso.

ARTHUR  
Freak out more Horsey.

DO IT ALL DAD  
Horsey drank too much coffee because mama did a really good job hiding Dada's Adderall.

MATILDA  
I like Dada better off Adderall, so you can always be so loosey goosey around us like this.

DO IT ALL DAD  
All of sudden, my chakras feel less clogged than my freshman one hitter.

CUT TO:

INT. OFFICE-MIDTOWN EAST-MORNING

HR  
How will you handle commuting after being a stay at home dad on and off for almost a decade?

DO IT ALL DAD  
My father prefers the term sheltered bum. But after looking after 3 kids 3 summers in row with no AC, taking the Metro North to Grand Central every day, will feel like a 5 week rave in Germany.

HR

I hear testosterone levels are low  
for stay at home dads.

DO IT ALL DAD

But we haven't even discussed hard  
numbers yet.

HR

So horsing around with more jokes,  
you're not getting paid for, must  
be putting a strain on your  
marriage with 3 kids to feed.

DO IT ALL DAD

The Good Men Project republished 17  
chapters from my debut book about  
becoming an unplanned father of 3,  
Controlling My With Comedy, A Love  
Story. I love that title. Headline  
hookers are what I do best.

HR

How much did the Good Men Project  
pay you to republish blog posts for  
your book?

DO IT ALL DAD

Less than my in-laws have given us  
since our 3 kids was born. So  
nothing.

HR

I'm starting to question your  
planning skills.

DO IT ALL DAD

How so?

HR

Nobody becomes a stay at home dad  
on purpose.

DO IT ALL DAD

Recruiters get less respect on the  
job, which I'm sure you can relate  
to having an office in a boiler  
room below Penn Station. With a  
desk, chained to a Baby Ruth  
machine but I digress.

CUT TO:

INT. BEDROOM-CROTON FALLS, NY-NIGHT

Do It All Dad wakes up from his dream, sitting up in a more upright position.

WIFE

I don't have to smack you in the chest, do I? I thought God gave you 3 kids to not have a panic attack over it because you've been such a bedrock of stability since we met. And please, don't remind me with stupid jokes about how you've been fired more than a Palestinian Sling Shot. I've been pregnant 3 times, with you out of work. Thank God, you got jobs to start right after 1 and 2. I'm still waiting for you to get a job for number 3.

DO IT ALL DAD

But my password for my podcast login is Samuel Wins. Funnier dad, happier baby, baby. All our kids our thriving because of my do it all dad involvement in their maturation evolution. Also companies in New York are discriminating against me for my pro Trumpian stance like every other self-righteous putz I went to high school with in New York as a whole.

WIFE

I told you, no politics talk at home. Mention his name one more time and you're sleeping on the couch.

DO IT ALL DAD

Then, 5 more years of purgatory start right now. Trump only called his friend Bob Kraft once a week to after his wife died to be there for his friend. You won't even book mark my blog.

CUT TO:

INT. PQ SCHOOL-MORNING

Matilda hands in her friendship ad assignment for the 3rd grade. Teacher reads it.

TEACHER

New friend needed for my daddy.  
Interests include writing, getting  
laughs, talking about ex-  
girlfriends and yelling at mama.

MATILDA

I know the new friend ad assignment  
was for me but my dad needs a new  
friend more than I do Mrs.  
Donofrino.

TEACHER

It sounds like your dad needs to  
work on his anger control issues. I  
can recommend a good Equine  
sensitivity therapist here in North  
Salem, to work on his anger issues,  
so he becomes less touchy feely.

MATILDA

Papa busting his balls growing up  
about being a waste of height never  
translated into thicker skin, I  
guess.

CUT TO:

DAUGHTER'S BEDROOM-NIGHT

Matilda get's tucked in bed. Do It All Dad sits on her  
bedside putting down a copy of the Bhagavad Gita.

MATILDA

What are castes Dada?

DO IT ALL DAD

From upper middle to lower  
deplorable is a chapter in my book,  
Controlling My Kids With Comedy, A  
Love Story, which explains what  
happens when you come out as pro  
Trumpian in Hillary Hammer Times  
Cankles country, in northern  
Westchester County.

MATILDA

Daddy, you should join the PTA.  
What would happen if you did?

DO IT ALL DAD

A bunch of local moms would fall in  
love with me.

DAUGHTER

Do it then Daddy, do it.

DO IT ALL DAD

I'm already indexed as a homemaker  
on LinkedIn.

DO IT ALL DAD (CONT'D)

Do you want Daddy to wake you early  
tomorrow for our one on one story  
time after my morning meditation?

MATILDA

Yes, Daddy. What's meditation again  
Dada?

DO IT ALL DAD

Breathing exercises done to make  
yourself a more centered, less all  
over the place Jew.

MATILDA

You're not very good at meditation  
daddy, are you? What's your mantra,  
doh?

DO IT ALL DAD

I remember you asking me about  
Nirvana, not the band. Personally,  
I prefer Courtney Love's band Hole.  
Courtney Love is a more bad ass Mia  
Farrow with better husband  
selection.

MATILDA

Courtney Love is the one who sings,  
"I made my bed, I'll die in it?"

DO IT ALL DAD

Rearing you on Green Day is paying  
dividends already. But back to  
Nirvana. According to the Bhagavad  
Gita, nirvana is the extinction of  
3 fires, greed, hate and delusion.

MATILDA

But if you're not fired up to shine  
and be the best of the rest when  
you're unfamous nobody. You'll  
never know whether you were  
delusional in real life. Also  
Vishnu never bombed every open mike  
for a whole year in a row. But  
hating people for making you feel  
like a delusional hack strengthened  
your desire to kill Dada.

DO IT ALL DAD

Were you reincarnated as my good  
luck guru?

MATILDA

Find a way to take Barnstorming  
Barbershop USA on the road daddy.  
What if you did a 2 person act with  
a Shetland Pony who can fit into  
barbershops who identified with  
shishy bitch, awkward Jews.

Do It All Dad laughs.

DO IT ALL DAD

If Dad got to open for a major  
headliner like Larry Cable the Guy.  
We'd need a Nanny to look after you  
3. Tell me about your dream Nanny.

MATILDA

She would teach me how to make  
brownies.

DO IT ALL DAD

Unlike Baba who blows you off with,  
I'll teach you later dear. I must  
act busy in the kitchen to justify  
my absentee existence in your life  
to care after an adopted dog, I'm  
sorry anchor baby.

MATILDA

Mimi and Papa think your socially  
isolated as a stay at home dad.

DO IT ALL DAD

It's not like I'm a committed  
loner, rejecting six figure jobs in  
Manhattan to blog more jokes to  
perform on my podcast for free.

(MORE)

## DO IT ALL DAD (CONT'D)

George Washington said, "It's better to be alone than to be in bad company." But with you 3 kids by my side, this funny man giant is lonely no more. So sue me America for wanting to sell some books and get paid to hang out with you kids more, despite society's attempt to shame me into abandoning our happiness bubble for a cubicle commuter job, abandoning, my quest to become the voice behind the remote work revolution as the Do It All Dad Year Podcast host star.

## MATILDA

Is the podcast enough for you Dada? Don't you want to do your jokes on the road already?

## DO IT ALL DAD

Do Popes enable pedophilia? Don't answer that question or ask what it means.

## MATILDA

Was that a Michael Jackson joke? Didn't you say he stole kids age of innocence away like a smooth criminal? Further adding, what would Michael Jackson's defense be if he were alive today? All the Beatles royalty points in the world can't buy me love.

## DO IT ALL DAD

I love when you quote Dada's material long time.

## MATILDA

Daddy, why must we drift away and die?

## DO IT ALL DAD

Don't quote Axl Rose at 8 years old Matilda. Also, I thought you identified as a Hindu now. And Hindus believe in reincarnation.

## MATILDA

But you won't look good as a bearded unicorn Dada.

DO IT ALL DAD

According to this book religion explained in 30 seconds, Hindus believe our fate is determined by Karma.

DAUGHTER

What's Karma?

DO IT ALL DAD

Making the Comedy God Killu Loudly laugh long time, because he gave me you kid.

Do It All Dad gives his daughter a super long hug.

MATILDA

Daddy, I never want this hug to end. What should I dream about?

DO IT ALL DAD

Dunking over your brother and farting in his face.

Matilda laughs.

MATILDA

Good night Do It All Dada, close the door a little bit more than usual.

Do It All Dad closes the door. Matilda notices a white rainbow outside her bedroom window, folds her hands and starts praying.

MATILDA (CONT'D)

Vishnu, my daddy is really funny but can't make any money. Please help daddy pick a new race to win with the help of a beautiful Palomino horse by his side, to act as his jockey trainer, his Mick from Rocky if you will. I don't know if there's a Bollywood version of Rocky but I think you get the gist about now, Amen.

Matilda overhears her daddy walk to the bathroom outside her door.

MATILDA (CONT'D)

Daddy, come in here a sec.

Do It All Dad enters.

MATILDA (CONT'D)

Daddy, are White Rainbows racist?  
Because I made a wish on your  
behalf. And I don't want to offend  
Vishnu whose more hardcore Indian  
than Kal Penn.

DO IT ALL DAD

Are you sure you weren't reborn as  
my good luck guru? Because you make  
me feel flush with Karma miles kid.

**END OF ACT ONE**

ACT TWO

EXT. GARAGE

Do It All Dad puts boxing gloves on his son.

DO IT ALL DAD

You can hit me in the face now. I need to toughen up and stop being so touchy feely. Got to start somewhere.

ARTHUR

Alright.

Arthur jabs Do It All Dad in the nose twice in a row.

DO IT ALL DAD

Not enough protein America? Knowing cow never touched thy kid's lips.

ARTHUR

Daddy, why didn't you audition at the Apollo?

DO IT ALL DAD

The wait was killing me Gimmel Be Good. I already waited 2 hours and I was one thousand numbers later. I also had the house to myself and 2 books to split up for sale so I can keep this marriage afloat. The Nipsy Russell article on Breitbart got me a tad antsy also. But I'll show off my soul glow at the Apollo next year as a triumphant comeback return off the back of Barnstorming Barbershop USA, basically daddy doing jokes like he does at the deli but in Barbershops in every state Trump won the popular vote.

ARTHUR

Do you think Trump could build Lego faster than me at my age?

DO IT ALL DAD

Talent isn't ambiguous and you got it up the wazoo Art Show USA.

ARTHUR

I love you daddy.

Arthur hugs Do It All Dad with all his might.

DO IT ALL DAD  
Stop getting so big, Teenagers In  
Love.

ARTHUR  
Stop saying the same thing over and  
over again, High Schooler Hoodie.  
And if you're not funnier than  
Arsenio Hall at the Apollo, I'm  
going to kill you with our sharpest  
knife for real.

CUT TO:

EXT. HARDCRABBLE ROAD-NORTH SALEM,NY-MORNING

Do It All Dad futzes with his smart phones to change songs on his Spotify Hair Metal Forever playlist. He picks up his head as a Palomino horse, BOLLYWOOD ROYALTY appears on the road. Do It All Dad swerves away from the horse into a tree off Hardscrabble Road. Air bag goes off. Hollywood Royalty drags Do It All Dad out of the car by his shirt off to a nearby stable.

BOLLYWOOD ROYALTY  
This son of a bitch is one lucky  
cocksucker for having such a big  
head for cushion. Don't worry, I'm  
his Guardian Angel from India,  
Bollywood Royalty. My grandma gave  
Mr. Ed a hickey ounce. I used to be  
known as Hollywood Royalty, yet I  
couldn't land a paid speaking part  
doing extra work on a Hollywood  
movie set if my stud shooting loins  
depended on it. My father was  
ridden by Xena the Warrior  
Princess. And my mother was the  
horse ridden my Princess Buttercup  
before Robin Wright Penn got  
divorced from Sean Penn, thinking  
he was an overlooked, budding  
novelists like Bukowski in his  
forties. I've got zero SAG acting  
gigs listed on my non existence  
IMDB extras page. White privilege  
has gotten me nowhere fast. So I  
changed my name to Bollywood  
Royalty to stick out in the billion  
dollar plus Hindu film market baby.

## BOLLYWOOD ROYALTY (CONT'D)

So Do It All Dad here wants to horse around with Hinduism like a booty call on demand. Then, let's reincarnate guilt free poking around for old time, fun's sake.

CUT TO:

EXT. HORSE HEAVEN HILLS-MORNING-HOURS LATER

Do It All Dad wakes up on a pile of hay. Bollywood Royalty, our talking horse, hovers over him.

DO IT ALL DAD

Where am I?

BOLLYWOOD ROYALTY

Horse Heaven Hills.

DO IT ALL DAD

Am I dead?

HOLLYWOOD ROYALTY

No, you're in the finest stud farm in North Salem.

DO IT ALL DAD

How you are able to talk again? Did you used to be the writer Charles Bukowski and become reincarnated as my hate speech whisperer?

BOLLYWOOD ROYALTY

Look, I don't blame you for trading in all your Bukowski poetry books for some used record money. After learning, he kept a highlighted copy of Mein Kempf under his childhood bed for safe keeping.

DO IT ALL DAD

How did I end up here?

Do It All Dad rubs the bruise on his head.

HOLLYWOOD ROYALTY

You were futzing around with Spotify on your phone when it stopped playing Blaze of Glory by Bon Jovi.

DO IT ALL DAD

I'm very familiar with the long haired cowboys from New Jersey, thank you very much. Don't you know I'm a Hair Metal historian enthusiast who wrote all the TV host reads for America's Hard 100 on VH1 Classic, voted on my by 1.2 Million pansexual fluid fans? Growing up a painter takes one look at my wailing wall of metal, draped with pictures of all my Hair Metal Gods from Circus Magazine from top to bottom. Painter tries to shame me by stating, "You got a lotta of pretty dudes on your wall." I reply, I'm sorry, is that not manly enough for you, Dominick I ain't no fag Scholanti. How much puss have you engulfed compared to even Sammy Hagggar for that matter? I read in his autobiography, he banged so many groupies after a show, he became tapped out of all of his love gun juice for 2 weeks straight, till glimmers of eruption were able to emerge again.

HOLLYWOOD ROYALTY

Have you tried Sammy Hagggar's Tequila?

DO IT ALL DAD

No, but I hear it tastes Van Halen light.

HOLLYWOOD ROYALTY

Enough horsing around with jokes you aren't getting paid for already. We need to get your act in working order and get your one man show, Barnstorming Farmer's Market's USA on the road.

DO IT ALL DAD

Don't you mean Barnstorming Barbershop USA? Barbershops aren't paid to play CNN. 2nd, it's the last safe space for politically incorrect comedy. Plus, I need my precious beard trimmed in the process.

(MORE)

## DO IT ALL DAD (CONT'D)

What I love about President Trump is his relentless enthusiasm and over the top salesmanship. If he got diagnosed with HIV today, he'd tweet the next morning, "Do I have HIV, yes, but my tell cell count numbers have never been stronger." Wait, a minute horses don't have to worry about fatal STD's do you?

## HOLLYWOOD ROYALTY

I come from a 3rd generation of Hollywood Royalty horses. You don't think any desperate out of work stunt men ever tried to try to curry favor with my Pop's extra long 5th leg? You think Bestiality was just born out of thin air? The land of wet dreams in the Valley doesn't discriminate against sexual perversity partner.

## DO IT ALL DAD

Alright I got it, just don't try to convince me that Bruce Jenner is asexual. Although, I'm sure Bruce was able to stay harder longer, after he convinced his wife Kris Jenner at the time, to cut her hair shorter so she could look more like a dolled up Ralph Machio.

## HOLLYWOOD ROYALTY

You're sitting on top of comedy gold Porsche SUV. It's time to cash in on all your hard work already.

## DO IT ALL DAD

Are you my Mick trainer to get my act in shape already? I haven't felt this torn, since Sly Stallone snuck Mel Gibson into Expendables 3.

## HOLLYWOOD ROYALTY

What's there to feel torn about? Are you ready to complete your race to top of the heap or not?

## DO IT ALL DAD

But why Barnstorming Farmer's Market's USA?

## HOLLYWOOD ROYALTY

Because only you could've written Anthony Bourdain rips My Frozen Lunch Apart. Will pitch the show the CMT station as No Reservations Meets Fashion Police. Joan lives.

## DO IT ALL DAD

My parents told me they'd hang up my food fiction story, Anthony Bourdain Rips My Frozen Lunch Apart on the walls in their Arizona Estate Home, right next to my Bar Mitzvah photos, the last remnant of my dad's gleamish pride in me. Once, I tried to show the story to my kids during our arranged paid for annual visit. I say, "Mom, where's my Fire and Knives story. I want to show the kids it. Mom says, "It's in the bar" I reply, "But all your friends are Jewish and they don't drink. In other words, my story in your bar here will get less touches than a Bible in a Bath House Colony in Provincetown.

## HOLLYWOOD ROYALTY

Your delivery really came together on that one.

CUT TO:

## INT. CROTON FALLS HOME-NIGHT

Do It All Dad and his NURSE WIFE are watching TV on the cloud on opposite ends of the couch before the Internet goes out again.

## DO IT ALL DAD

I miss watching the Knicks on MSG.

## NURSE WIFE

Stop complaining, I had a baby die on me at the NICU last month. I check for vital signs on blue faced babies for a living, so you can write more jokes for free. Which makes you feel like a self-absorbed narcissist because all you check for is for retweets, I've heard the spiel before. Have you applied for any new jobs this week yet?

DO IT ALL DAD

I applied for a sports blogger job at Yonkers's Raceway. So I can channel my Arnold Rothstein and feel like less of a degenerate Jew, who in reality still has to count with fingers for basic arithmetic. I'm also working on a play.

WIFE

What's the play about?

DO IT ALL DAD

It's called, Horsing Around With Hinduism. You threaten to kick me out of the house after raising our 3 kids at home, allowing you to win a bunch of Nurse awards and earn respectful praise from all.

WIFE

I like how this story is shaping up already.

CUT TO:

EXT. BASKETBALL COURT-NORTH SALEM-DAY

Do It All Dad hits a three pointer from way downtown. Bollywood Royalty emerges out of the woods.

BOLLYWOOD ROYALTY

Nothing but the bottom of the net.

DO IT ALL DAD

You again, you're a Marv Albert fan? But I thought you were from Hollywood. Wait a minute, Marv Albert is into neck biting she male's like Doug Stanhope, when he's out of bad coke.

BOLLYWOOD ROYALTY

I still can't believe your Knicks gave away KP for a box of Cotton Candy. Torn ACL or not, Uni will fly high again.

DO IT ALL DAD

You've read my blog more than my wife. But don't stop, I love to be quoted, talking horse or not.

BOLLYWOOD ROYALTY

Abe Lincoln said, "Voice of the people, is the next thing to the voice of God." Why else do you kill with locals riffing and doing jokes, whenever you go on family trips outside of New York?

DO IT ALL DAD

Because I possess the common touch? I'm straight shooter with purpose?

BOLLYWOOD ROYALTY

You forget to mention another married slut in a straight jacket. What, you urged me to quote your material again.

DO IT ALL DAD

Compared to other horses, you don't seem to scare very easy.

BOLLYWOOD ROYALTY

Only if I got drunk on Jell-O Shots and went bare backing with a Florida Cracker Horse on Spring Break.

DO IT ALL DAD

Is my anger problem an offshoot of my too sensitive problem? Do I need to see a shrink for it? Should I attend a gay conversion camp for being too much a touchy, feely, shishy bitch?

BOLLYWOOD ROYALTY

You don't need to see a shrink for your anger issues. And since when do you listen to your wife after she stopped believing in you making it as a comedy star already?

## DO IT ALL DAD

The fear of sleeping in the woods with you or wherever you sleep is making me question every decision I ever made if my wife throws me out of my happiness bubble with my kids for good. Last night, my wife says, you wrote your books, now get a job already. I've been patient for 10 years. I say, whistling like Axl helps.

## BOLLYWOOD ROYALTY

We need a horse trailer for myself before take this traveling comedy show on the road. You don't have money for that do you?

## DO IT ALL DAD

I'm so broke my Hebrew name is under Judicial review.

## BOLLYWOOD ROYALTY

I've got tip on a horse Pineapple Pretty, racing at Yonkers's Raceway tomorrow at 50 to 1 because all horses in North Salem are 6 degrees of separation from Martha Stewart. Pineapple Pretty is a dark horse, meaning, nobody has seen she's more than just another pretty face. She identifies with Man O War on the rag. You'll need to sell your cherished Hair Metal record collection, which your wife hates anyway.

## DO IT ALL DAD

Whatever it takes to save the week from getting me kicked out into the woods with my imaginary talking horse friend.

## BOLLYWOOD ROYALTY

But seriously, you need to make the plunge in to performing live comedy again. You've used twitter and WordPress as an open mike testing ground long enough. Stable, exalted ground awaits you knocked kneed, crazy Jew.

## DO IT ALL DAD

If I boil a Carmel mix for Candy Apples again, I'll waterboard myself next time I go bobbing for Apples.

## BOLLYWOOD ROYALTY

First we get our Horsing Around With Hinduism act together on the road, barnstorming, one county fair and farmer's market at a time. Trust me, this Hindu horse comedy show is bound for glory.

CUT TO:

## INT. RECORD SHOP-DAY

Do It All Dad dumps his collection of cherished Hair Metal records in a milk crate on the counter and get's his used record demo underway.

## DO IT ALL DAD

Motely Crue, Too Fast For Love. Recorded in 2 weeks flat. The Freddy Kruger of shredding Mick Mars unleashes a buzz attack on the his ax like no other. Like his ability to pay alimony as the only hell raiser in the band with a kid to support minus the pretty boy looks to boot. Motely Crue, was going to play at Trump's inauguration but they found a replacement because Jared Kushner insisted Tommy Lee looks too alt rightish. Further adding, my Hebrew Hammer can't compete Dad.

Bookstore owner laughs.

## ARTHUR

Was that a penis joke Dada? Can I change my penis nickname from Pecker Wood to Hebrew Hammer?

## BABY SAMUEL

Ninjago Hammer Penis.

## MATILDA

If they get to change to their private part nicknames then I want a different name than Enchilada for my vagina.

## DO IT ALL DAD

All you get to do is more your undies on after the bubble, so the Chinese underworld has less to see.

Do It All Dad whips out his Poison album, Look What the Cat Dragged In.

## DO IT ALL DAD (CONT'D)

I've got Poison, Look What The Cat Dragged In. All these guys identified with was crying tough, having nothing but a good time and tearing down the walls of indifference to their pop metal brand of rock. Knowing it resulted in primo, hot lesbo stripper on stripper action before Brett Michaels, demanding, "Now baby, talk dirty to me. You'll never get a word in with CC, trust me. He does so much coke, he only hears last call from the bathroom stall.

## OWNER

Now, you're going to tell me what an underrated band Bon Jovi is?

Do It All Dad get's out, Bon Jovi's double album, New Jersey.

## DO IT ALL DAD

Bon Jovi's double album smash hit, New Jersey, in mint condition. Saw them play at Mohegan sun. Halfway into the show, my daughter, says, "Daddy, I don't recognize half of these songs." I said, "That's because it's Jon Bon Jovi's life and he already has our money. But when it's all said and done, Bad Medicine is all I need, woh oh." Blood On Blood, Living in Sin, classic overlooked tunes on this album, which made Axl Rose more brooding, dark depressive than usual.

DO IT ALL DAD (CONT'D)

Pretty sure, Axl painted his entire Malibu Mansion, pitch dark black inside and out the day after his A&R guy at Geffen Records snuck him an advance recording of New Jersey to play for Slash's snakes suffering from gender dysphoria.

OWNER

Do you kids ever wait for daddy to run out of breath?

MATILDA

He's louder than Busta Rhymes during a midnight showing of Higher Learning. This morning, daddy, says, "The Yankees won. I say, "I heard. Now I know why New York City never sleeps."

Owner looks through the crate.

OWNER

This is an impressive hair metal collection. I'll give you 100 bucks for it.

DO IT ALL DAD

Why don't you throw in a forty of Old English and some pre rolled Philly blunts for old time sake to sweeten the deal, filled with a bunch of sprayed weed from the Boogie Down Bronx, that tastes like Windex.

OWNER

Old English?

DO IT ALL DAD

The malt liquor beverage, Snoop Dog's ho sprayer of choice. Stop playing dumb with me. We're out of here, Twisted Sister's Stay Hungry, you're coming with us to.

OWNER

Wait a minute. Look, I'm not trying to offend you man, but look around the store. My target demographic is beaten down, over the hill hipster poser types.

OWNER (CONT'D)

You don't see many shishy bitch,  
Hair Metal enthusiasts still stuck  
in their age of power ballad  
crooning innocence.

DO IT ALL DAD

What if I threw in my leather  
jacket to sweeten the deal. It's a  
bomber leatherjacket from the  
Faconable store on 5th Avenue.  
Because any cool guy that ever got  
the chicks wore a leather jacket.

OWNER

Are you quoting Dice? Do you have  
Diceman Cometh in that crate?

DO IT ALL DAD

You wish Whitney. My wife almost  
divorced me over this jacket.  
Finally, I get my TV writing break  
at VH1 Classic and I blew 70% of my  
paycheck on this leather jacket  
before diapers for my daughter and  
a bathing suit for my wife to feel  
more flabtastic in.

OWNER

I'll give you 200 for the jacket  
and the records.

DO IT ALL DAD

Deal.

MATILDA

Daddy, how much did you pay for  
that jacket before you just got  
taken to the cleaners?

DO IT ALL DAD

I had no leverage Matilda. Money  
equals freedom from desperation and  
kissing ass, never forget that.

ARTHUR

But you have no money and never  
kiss anybody's ass Dada.

DO IT ALL DAD

Ok, so stop listening to Dada as a  
role model then, unless at 43, you  
want to be linked to homemaker  
searches on LinkedIn.

END OF ACT TWO

ACT THREE

INT. HINDU TEMPLE

Do It All Dad is greeted by a Hindu priest.

DO IT ALL DAD

Are you a Hindu Priest? I've never been inside a Hindu Temple before.

HINDU PRIEST

Was my Beyond Meat Life tattoo on my bald dome, a dead give away?

Do It All Dad laughs.

DO IT ALL DAD

So I've got 3 kids, I've aged well I know, despite my wife dropping lines like, "I've sacrificed." You think an aspiring comedian in his late twenties wanted kids ever? Then, I'll hear, "You can't expect me to keep the house clean and look after the kids at the same time. But I have no problem doing it, how convenient, fake feminist. If I get up, the baby will be on the boob all night long. All of sudden my wife's boob has more important places to be. For 8 years our bed has turned into an after hours milk bar, and you don't hearing bitching about it."

HINDU PRIEST

You must be getting into yoga and meditation because your breath control is thing of beauty to behold. I was banking on you passing out 3 punchlines ago.

DO IT ALL DAD

I've been horsing around with Hinduism. Tried reading the Bible for kids, and the Old Testament wrath of God not believing in his all mightiness pre Noah's Ark, freaked out my daughter a bit. So I read her parts from the Bhaghavad Gita now for a pleasant change of pace.

DO IT ALL DAD (CONT'D)

My daughter still thinks Yoga is boring, but she loves your 10 legged elephants and fancy head scarves and Indian lentil stews.

HINDU PRIEST

Your daughter identifies as Hindu?

DO IT ALL DAD

More so than whiny, boring, yenta breaths from Long Island, that's correct. So how can I convert to Hinduism exactly? Because my Jewish name Michael Kornbluth hasn't secured me a Talent Agent from CAA just yet. I was thinking, of changing my Jewy last name to something more Hindu like Masala. Michael Masala, sounds like some high caste conjuring shit right there. Sorry for cursing. I only curse for comedic emphasis. Will I be reincarnated as Michael Rapaport kid's nanny if I keep my cursing up at this pace?

HINDU PRIEST

Michael Rapaport is engulfed with hate for President Trump. He thinks all Trump supporters should be hung by lamp posts but he's the enlightened one because he did a doc on mumble core rappers Tribe Called Quest.

DO IT ALL DAD

You're one hip, Hindu Priest. So I've aborted Kosher for a Hindu friendly Vegetarian diet at home for my wife and kids. Cows are off the list for me now. I worship cows, since one took a nosh out of my daughter's hair at the farm zoo at Stew Leonard's, only to let go it in the most gentle, thanks for letting me gnaw on your strawberry scented hair for a bit manner. So, do you think I'm ready to convert to Hinduism or what?

HINDU PRIEST

If you want to become Hindu, all you must say is, I'm Hindu and tune out the View. We don't worship all cows.

CUT TO:

EXT. YONKERS RACEAWAY-NIGHT

Do It All Dad points at the long shot, Pineapple Pretty, the 50 to long shot, he put 200 dollars on the long shot to win.

DO IT ALL DAD

We let it ride on Pineapple Pretty kids.

MATIDLA

Why did you bet on Pineapple Pretty Dada, besides the name sounding so cartoonish awesome?

DO IT ALL DAD

I got a tip from a talking horse in my sleep, who said every horse in North Salem is 6 degrees of separation from Martha Stewart. Consider it divine intervention. Martha Stewart, got arrested for insider trading, forget about it.

Race starts.

ARTHUR

Go Pineapple Pretty. I need startup money for my own chocolate maker warehouse in the woods already.

MATILDA

If Pineapple Pretty wins, I'm going to buy the entire Critter Club collection and put in a safety deposit box so baby can't misplace the pieces.

Do It All Dad hoists baby Samuel on top of his shoulders to get a better view of the race, wearing binoculars around his neck.

DO IT ALL DAD

How is Pineapple Pretty looking Chosen Curls?

SAMUEL

Yah, Horsey, yah.

Do It All Dad runs along the race railing with his kids, as Pineapple Pretty starts to blow past his competition.

MATILDA

Daddy, Pineapple Pretty is leaving everyone in the dust, he's going do it like Rocky in Rocky 4 after Apollo dies.

ARTHUR

Daddy, is Pineapple Pretty called a Dark horse because it's faster than Bo Jackson on Adderall?

DO IT ALL DAD

It's a dark horse because nobody knew about Pineapple Pretty being hellbent on proving to the world, she's more than just a pretty face. Plus, white privilege didn't give this heart and will to win, it came from.

MATILDA

Vishnu, I knew it. White Rainbow miracles wishes come true.

Pineapple Pretty wins the race. Do It All Dad and his kids freak out, yelling woos to the heavens. Do It All Dad looks up above at a cloud formation that looks like an elephant with 13 legs with a clown nose on his trunk.

DO IT ALL DAD

The Hindu God Kill U Loudly really, really likes me.

As we Fade Out.
