FADE IN:

EXT. MARQUEE CASINO POOL-PRIVATE CABANA-DAY

MICHAEL KORNBLUTH, 43 year old stay at home dad, podcast host comedian, his bud from LA, JAY MASTER JAY and his friends from the valley sit around the VIP cabana, drinking Corona's, watching a bunch of hot girls in bikini's in the midst of a fashion shoot wearing Santa Hats. They notice LaVar Ball pass by the group of super fine hot girls, sporting his custom Big Baller hat in Vegas for his LaVar Ball Dad Camp seminar for 25 grand a pop, trailed by a single line of wannabe white coach baller dads.

LAVAR BALL

You don't need pick up lines when
you're a baller like a real deal
Denzel.

All the girls in Bikinis take notice of LaVar Ball strutting by them, as he ignores their existence all together.

LAVAR BALL (CONT'D)

Stop staring fellas. They're not
here to hear about your latest
thought leadership post on
LinkedIn.

LaVar Ball whips out a Big Baller, black business card, with gold lettering on it, and holds it up high while passing a super sexy African American gal, while walking straight ahead without making eye contact with her. The model grabs the card and goes back to her group of model friends to show off her latest snag.

LAVAR BALL (CONT'D)

It doesn't matter if my kids look
like Aliens Trump nation. All the
honey's want is to grab a piece of
me anyway they can. The touch of my
Big Baller card alone with a fake
news phone number on it, is enough
to make Pam Grier Junior, gyrate up
top in the mere presence of pop.

WANNABE WHITE COACH BALLER DAD

Why do you have business cards with
a fake news phone number on it?

Lavar Ball stops and turns around to address WANNABE WHITE
BALLER COACH DAD.

LAVAR BALL

Because I don't pimp out my sons to over hill ho's for starters. I raised ballers for a living, that's what I do. Growing up, I made sure my sons stayed away from the Yack and all the old E. You know Snoop Dog's ho sprayer of choice. All of my player sons focus on flying high into the Basketball Hall of Fame, each one winning more NBA championships than Michael Jordan in the process period, unlike Snoop, whose brain hovers a notch above porn hood hell.

LaVar Ball resumes strutting back to the Palazzo Hotel for his 1st annual LaVar Ball Dad Camp seminar.

MICHAEL KORNBLUTH

I wish Lavar Ball was my substitute coach dad as a kid. Because he'd make sure I'd lost my virginity before my younger brother did. So I'd feel like a bigger baller inside and stop prancing down the basketball court on my tippy toes, looking I was sporting high heels instead of high tops. While LaVar Ball yells from the sidelines, "Were trying to sell Baller Wear son, not Jimmy Choo's." LaVar Ball as my coach dad would get Rihanna to pop my cherry by offering her profit participation points in Big Baller wear. LaVar Ball would throw me spin the bottle house parties and only invite stuck up Jenny from the block. 2 minutes into the party, LaVar Ball barks up in stuck up Jenny's ear, "The Yoohoo bottle, doesn't spin itself, bitch."

Michael Kornbluth get's a standing O from his friend Jay Master Jay and his buds in their private Cabana.

MICHAEL KORNBLUTH (CONT'D)

You're welcome. Hey ladies, I got a Do It All Dad Year Podcast card, with my real number on it to make my sex life above average again, any takers? Hebrew Hammer, I fucked him oh!

INT. CONVENTION ROOM-PALAZZO HOTEL-HOUR LATER

LaVar Ball shines a giant spotlight on a pile of money consisting of 1 million dollars, representing the collective fees for his La Var Ball Dad Camp seminar.

LAVAR BALL

That's 400 grand on the hotel convention floor of the Palazzo. My son Lonzo Ball got me a Rolls Royce for 400 grand for Christmas. What did you sorry sack of dads get for Christmas? Let me guess, more black socks from your fat ass wife, so she can postpone laundry for another week. But back to my baller son Lonzo Ball. Do you want to know why he bought me a 400 grand Rolls Royce for Christmas?

Wannabe White Baller Coach Dad raises his hand. LaVar Ball stares at him in the most cold, blank fashion imaginable.

WANNABE WHITE COACH BALLER DAD

Because you didn't bomb at parenting and got your kid, addicted to winning sooner than later, only to become the biggest, most balling Do It All entrepreneur Dad in the universe?

LAVAR BALL

Couldn't have said it better myself Stephen A. Actually, I could, that's why you all paid 25 grand per pop for my LaVar Ball Dad Camp seminar, to learn from the most dominant, balling, coach dad entrepreneur in the universe. You're welcome. 1st Big Baller coach Dad rule.

LaVar Ball shines a giant spotlight on his shoes.

LAVAR BALL (CONT'D)

In order to be the man, you got to dress like the man.

WANNABE WHITE COACH BALLER DAD 2

Then, why does Kayne West wear nothing but an oversized hoodie these days?

LAVAR BALL

Is Kayne's son going to be the number draft pick this year after boning every hot Lithuanian under the sun?

WANNABE WHITE COACH BALLER DAD 3

No, but I hear Kim Kardashian is studying to become a Criminal Justice Lawyer. Criminal Justice Lawyers are so hot right now.

LaVar Ball shines the bright spotlight on Wannabe White Coach Baller Dad 3.

LAVAR BALL

Social justice is raising a son who balls in life on and off the court. And that all begins by making him love the spotlight so much, he's willing to go blind from it. Your spotlight loving son, even steals a pair of Gucci sunglasses in China, so he can give them to the poor like the black Robin Hood of Big Ballers, you dig.

CUT TO:

INT. NBA SUMMER LEAGUE COURT-HOURS LATER

Knicks are scrimmaging against the Brooklyn Nets. LaVar Ball runs into Mark Cuban on the sideline with his reality TV show film crew shooting his Lavar Ball Dad Camp seminar TNT special.

LAVAR BALL

Hey Cuban, congrats on getting KP for a box of cotton candy. But don't worry, Uni will fly high again.

Cuban laughs.

CUBAN

Do you really feel that way LaVar Ball or are you just sweet talking me?

LAVAR BALL

I could care less, he's not my kid.

Lavar Ball storms off, with all the white dads behind him in single file. Wannabe White Coach Baller Dad addresses Wannabe White Coach Baller Dad 2.

WANNABE WHITE COACH BALLER DAD

There's no way KP raped the girl in his apartment building, the same day he tore his ACL. Do you see Harvey Weinstein trying to rape Gal Gadot on only one good leg? Plus, going strong to the hole was never KP's forte either.

WANNABE WHITE COACH BALLER DAD 2

Cuban really did get KP for a box of cotton candy. And the excuse for trading KP for nothing was so lame. What was it again? KP's agent brother made James Dolan uncomfortable because he reminded him too much of the Russian gangsters in 25th hour.

WANNABE WHITE COACH BALLER DAD

I bet you my future Rolls Royce that my son buys me one day for me building up such a monster baller inside, that KP wins a ring in our lifetime.

WANNABE WHITE COACH BALLER DAD 2

New York is so yesterday's news. It's gotten past infuriating to see all our players thrive elsewhere like Melo in Portland. Are you kidding me?

WANNABE WHITE COACH BALLER DAD

The season is still young. Plus, Melo is still the best spokesperson for Tampax Tampons because he's responsible for stopping so much flowage.

CUT TO:

EXT. LUXOR CASINO-NIGHT

LaVar Ball is dressed like a Pharaoh.

LAVAR BALL

You think I look funny? This isn't fake news gold you know. By the time my 1st born Lonzo Ball is done playing ball, he'll be buried with NBA rings on all his fingers and toes, becoming Bill Russell's worst nightmare come true. But I'm not establishing the ground work for my great, wonder baller sons of the world without instilling in the them the faith to upstage their role models, forcing them to choke on their star dust from behind. Because I raised clean living, fun loving Christian men, who don't idolize false Gods like the mumble core honky Bob Dylan. They say gratitude is a sign of "noble souls." That's why I get on my hands and knees every morning at 4AM, way earlier than that fat ass Trump, and give thanks and praises to the all mighty, for ensuring the star seed from their Do It All Dad's tree trunk, got passed on to my boys, responsible for the NBA baller brother royalty I molded from the start, and no hack ESPN blowhard, Steven A excluded, can ever take that away from me.

Wannabe White Coach Baller Dad raises his hand.

WANNABE WHITE COACH BALLER DAD

Can I still be a baller coach dad if I'm an Atheist?

LAVAR BALL

Did Jeff Van Gundy ever win jack shit? Did Mark Jackson groom what became of the Golden State Warriors dynasty, before white privilege incarnate Steve Kerr jacked up all the lion's share credit?

WANNABE WHITE COACH BALLER DAD 2

When my wife was is in labor, I prayed to God for my newborn son to not be plagued by my family's knock kneed, putzy Jewish DNA?

LAVAR BALL

Did it work?

WHITE DAD NUMBER 2
I didn't give you 25 grand for
LaVar Ball Dad Camp, to teach
myself to jump over a Stapler at
Staples Center.
