Reflections

Milestones

It's been a successful year of sticking our hooves into different ponds- that is, branching our shows into different show locations to expand our schooling show experiences to new and varied show grounds!

Coming Up

Beginning in September, we look forward to our upcoming shows with even more schooling possibilities. We are currently in communication with several new facilities, as well as previous ones. It is our goal to have good footing, plenty of space for warm up and pleasant show grounds to make an inviting experience for all horses and riders.

Summer Fun

Martha Koehnlein will be hosting a pool party for the club on Sunday, July 12 at 1:00. All are welcome! ADA will be providing the hamburgers and water. We are asking attendees to bring a dish to share and bring your own beverages (if you want more than water).

Please RSVP to

alphadressage@gmail.com

By July 10 so we know how many burgers we need.

Don't forget your bathing suit and towel!

See you there!

Spotlights

A Word from the President

Hi everyone! I'm happy to announce that we once again have a Newsletter! Sara Erdle has agreed to be our new editor. Sara will also be keeping our website updated as well and we are excited to have her on board!

We are also excited that Mandy Peterson has agreed to step into the role of club Secretary. Mandy has been a Member at Large for a couple of years and has been an important voice during that time. We are happy to welcome her to the Executive Board.

Spotlight on Dan Mohl

Dan Mohl, a Longtime ADA member and Dressage rider's story is in the SPOTLIGHT this month!

Spotlight on Trailer Safety – by Mandy Peterson

If you're like me, trailering your horse is infrequent. Do you have a trailer and horse safety checklist that's up-to-date and handy? Here are some critical check points:

- All trailer parts are in good working order
- Review horse safety and security
- Pack a human and horse first aid kit
- Drive with extra caution and maintain safe distances from other vehicles
- Review your route and plan rest stops on long trips to refresh your horse
- Don't just trust your memory, write it all down

Join us on July 30, 2026 at 6pm when we welcome Beth from Barry's Trailers at our membership meeting. Beth will give us vital information on maintaining a safe trailer and what to watch for in wear and tear.
