

Volunteers Needed for The Event at TerraNova Equestrian Center

Volunteers are needed for The Event – especially for Cross-Country Jump Judges on Saturday, November 15, and Sunday, November 16. Jump judges are essential in eventing – and it takes a lot of XC Jump Judges because there are a lot of cross-country jumps. There are other volunteer positions open as well – but the greatest need is for XC Jump Judges.

Let's support this international level event that is in our very own backyard. Volunteering is an important part of eventing because it takes so many people to support and help with all the activities. You will get trained in your volunteer position and be provided with snacks, water and lunch. You need to take your own folding chair, sunscreen, and appropriate clothing for the weather.

Alpha Dressage can make a difference for The Event and show support for our local equestrian community. Please go to the TerraNova website for The Event, click on VOLUNTEER and follow the instructions.
