## Suzi's Scoop

Hi Everyone,

I hope none of you are washing away with all this rain. I know I asked for it a few months ago, but is it too much to ask for a little moderation?! Your ADA board has been busy behind the scenes for the last few months and there are lots of items that I would love you to look at in this newsletter.

Our next show is next weekend! ON SATURDAY!!!! This is so we can have a clinic with the judge the next day. Don't forget to come and watch the clinic. We will be holding our general meeting during the lunch break (yes, there will be food) so please join us and share your ideas for our future plans. We also need volunteers, especially on Sunday, to break down the arena and return it. Let Donna Sloben know if you can help.

Included in this newsletter is information about proposed changes to our by-laws. We changed very little in terms of the actual laws but updated the wording a good bit to give us some flexibility for how we run the club today and in the future. Have a read, let us know what you think! We vote on it at our December banquet.

One of the bigger changes was to increase the number of board members we can have. The club is growing which is wonderful and we have lots of ideas for future activities. As such, it would be great to spread the workload among more people so we invite you to join the board! Don't be too scared, we can ease you in gently and we are a fun, motivated group. If you feel like the board is a bigger responsibility than you are ready for, then consider joining one of our sub-committees. We have these for shows, clinics, awards, banquet, technology etc. Donna Sloben is heading up the nominations so email her to let her know you are interested.

ADA decided to support The Dressage Foundation by giving them a donation of \$100. TDF's mission is to cultivate and provide financial support for the advancement of dressage in the US. They do offer quite a few grants to clubs like ours for clinics and education and we felt it was a worthy cause that might give back some day.

I wanted to remind you all that we offer all the USEA eventing tests at our shows. These tests offer an alternative pattern, often with a fresh perspective, if you want to try something different without moving to a different level. They can all be found at [www.useventing.com](http://www.useventing.com)

Our Banquet and Awards ceremony is shaping up to be a great night, we will have door prizes, dinner, games, and lots of fun so please be sure to put the date on your calendars.

That's it for now. All the information I shared in this note can be found in the rest of the newsletter. I look forward to seeing many of you next weekend! Suzi

## Plea for Volunteers!

Donna really could use volunteers for our next two shows. Please contact her at [dsloben@aol.com](mailto:dsloben@aol.com) or (941) 704-8280. Without your help we won't be able to continue to offer our show series. Also, if you are in the running for a Year End award you must have logged at least 6 volunteer hours this year.

## December 11<sup>th</sup> Awards Banquet & Club Celebration

Save the date! Our awards banquet will be held here, but we are also planning other fun activities for our members and volunteers. More details to follow. For now, please reserve this day, from 6:00 – 9:00 pm on your calendars. Spouses, significant others, and all family members are welcome.

## Clinic Updates

The September clinic with Brian MacMahon is completely full. Leave your name with Danielle if you wish to be waitlisted.

As of this writing there is one spot open for the Matt McLaughlin clinic on Oct 16, 2021. Due to high interest, Robin is also soliciting names for Sunday rides. If we get enough interest, Matt is willing to stay on another day. Contact Robin with any questions.

## Nominations Process for 2021

Looking ahead to next year, we need to start gathering nominations for board members, both officers and members at large for 2022. We will be voting at the Annual Award banquet and would like to have all nominations in place by the end of November.

Anyone who has been a member for at least 1 year and wants to be more involved in the club is welcome to throw their hat into the ring. Robin Segó and Deb Herbert are stepping down from the board at the end of the year so we will need to replace them. We are also looking to expand the number of members at large, so we will need some new people to step up and join the fun! Being a Board member-at-large is a good way to get your feet wet and find out what it's like to be a part of the board.

Your current board members are:

President – Suzi Jennings

Vice President – Robin Segó

Treasurer/Membership Secretary – Martha Koehnlein

Event Coordinator – Danielle Ammeson

General Secretary – Linda Roberts

Members at Large – Donna Sloben  
 Deb Herbert  
 Sue Slaughbaugh  
 Betty Brown

Please send nominations to [alphadmessage@gmail.com](mailto:alphadmessage@gmail.com) and put "Nomination" in the subject line.

## Volunteer Hours: Year to Date

As a reminder if you are interested in participating in our ADA Year end awards program you must volunteer at least six (6) hours that are approved by Donna, our Volunteer Coordinator. If you have questions or see anything that needs adjustment, please contact Donna directly at [dsloben@aol.com](mailto:dsloben@aol.com) or (941) 704-8280

Dear ADA Friends,

August 2021

Here's a story of how your investment in good people can come with compounded interest. It's a story of how you helped a rider with her journey from young rider to professional...and how her dreams are becoming a reality with the help of another TDF grant recipient—none other than our Tokyo Olympic heroine, Sabine Schut-Kery.

Two years ago, Sophia didn't know if she would continue riding dressage. Even though she was a successful young rider, her horse was battling a year-long injury and Sophia felt discouraged. Then she applied for The Dressage Foundation's Young Rider International Dream Program.

*Through TDF's amazing trip to Germany for the Aachen dressage show, I was exposed to a new level of riding and had the opportunity to learn from the top riders in our sport. Going to Aachen reignited my passion for riding.*

When she returned home, Sophia had renewed energy and dedication to the sport.

*I decided that, while I would love to represent the U.S. on the international stage, I ultimately want to become a well-respected trainer, learn as much as possible about riding and horsemanship, and **share my knowledge with others.***

Sophia knows that to reach her goals, she needs more training than she can afford as a young professional. One place she's turned to for help is TDF.

Thanks to you, Sophia received financial help for training and programs that might not have otherwise been possible.

In fact, while Sophia was training in Florida with the support of a TDF grant, she met fellow TDF grant recipient Sabine Schut-Kery. Sabine and now-famous Sanceo received TDF's \$25,000 Carol Lavell Dressage Prize in both 2017 and 2018, with the goal of representing the U.S. in international competition. **Sabine's dream became a reality when her ride in the recent Tokyo Olympics turned a hoped-for team bronze medal into silver!**

Over...

After meeting Sabine last winter, Sophia was presented with an opportunity she couldn't pass up.

*I had every intention of returning home to Maine after my time in Florida, but then I heard that Sabine was looking for a working student. Watching Sabine ride and teach, as well as knowing that she is kind and has excellent horsemanship, made the decision to move to California an easy one.*

Today, Sophia is learning from one of the best riders in the world, and your support has been crucial to both of their journeys.

Because you are helping riders reach their goals and realize their dreams, you are strengthening dressage in our country! Sophia told us...

*The generous support of TDF's donors has helped me tremendously throughout my dressage journey. Without it, I would likely have not had this incredible opportunity to work with Sabine. Thank you!*

The impact of your gifts is amazing. When you support TDF, you strengthen our sport at *all* levels—from youth to adult amateurs, instructors and judges, to the riders like Sabine who are competing for Team USA.

**Please consider a donation to help more riders like Sophia and Sabine! The future of our sport depends on committed and dedicated riders like them, and generous donors like you.**

We are thankful for all that you've done to improve dressage in the United States and hope you can consider another gift today!
