GAD was the Seventh son Born of Jacob and Zilpah. His Name means "Troop", the word Indian comes from the Latin word "Indio" Meaning Slave. They migrated to the America's (ArsaReTH: Meaning the Land Unknown) Sometime after the assyrian captivity in 772 B.C.

Andrew Jackson Passed The Indian Removal Act May 28, 1830

1 Chronicles 5:18

"The sons of Reuben, and the Gadites, and half the tribe of Manasseh, of valiant men, men able to bear buckler and sword, and to shoot with bow, and were skillful in war..."

Genesis 49:19

"Gad, a troop shall overcome him...", the "troop" that overcame the tribe of Gad, was the United States Cavalry. This war began with the landing on Plymouth Rock in 1620 and ended at the Battle of Wounded Knee in 1890. Within these 200 years the so-called white man has murdered well over 77 million Native Indians. They murdered countless men, women, and children to occupy stolen lands and establish Church and State. "But he shall overcome at the last." the tribe of Gad, shall overcome America, and all the nations with the second coming of the Nation of Israel's Messiah.

We know that it was the early United States cavalry that committed such genocidal atrocities against the Natives. It is estimated that over 70 million Native Americans were murdered and killed from disease from the settlers to pave way for the North American empires we know today (United States and Canada). The second portion of this is to come when AHAYA comes back with YASHAYA to redeem His people.

Now it is rumored that you Handsome Lake are but a talker with spirits... Now it is true that I am spirit... of him who was murdered. Now tell your people that they will become lost when they follow the ways of the white man.

38 Speak unto the children of Israel, and bid them

39 And it shall be unto you for a fringe, that ye may look upon it, and remember all the commandments of AHAYA, and do them; and that ye seek not after your own heart and your own eyes, after which ye use to go a whoring:

40 That ye may remember, and do all my commandments, and be holy unto your God.

IN THE END GAD OVER TAKES IT'S ENEMY AND BECOMES RULER OVER THEM

The time has come to wake up to who we are and where we came from. We are decedents from the bloodline of kings. Amercia is the promised land, the land of milk and honey. This is the land of the 10 lost tribes of Isreal, Gad chose this land America, while the mexicans(Issachar) migrated south to their land.

The Hebrew isrealites are not white, the white azkanzki jew ish in Isreal are not the decedents of Jacob(Isreal), They are the synogaue of satan, The white devil all of our ancestors warned us about. They knew they were of the devil (Edomite Edom)because they fled from them in Isreal. This is all backed with scripture from the bible. When they slaughtered all the natives (Hebrew Isrealites) here, they also wiped out and changed your history, the very same government that committed the Genocide

Numbers 15:37-39

37 And the Sovereign spake unto Moses, saying,

38 And they make them fringes in the borders of their garments throughout their generations, and that they put upon the fringe of the borders a ribband of blue:

39 And it shall be unto you for a fringe, that ye may look upon it, and remember all the commandments of AHAYA, and do them; and that ye seek not after your own heart and your own eyes, after which ye use to go a whoring:

40 That ye may remember, and do all my commandments, and be holy unto your God.

Isaiah 65:11-12

11 "But ye are they that forsake the Lord, that forget my holy mountain, that prepare a table for that troop, and that furnish the drink offering unto that number.

12 Therefore will I number you to the sword, and ye shall all bow down to the slaughter: because when I called, ye did not answer; when I spake, ye did not hear; but did evil before mine eyes, and did choose that wherein I delighted not."

1 Chronicles 12:8

"And of the Gadites there separated unto Did into the hold to the wilderness men of might, and men of war fit for the battle, they could handle shield and buckler, whose faces were like the faces of lions..." the North American Indians, had fearsome faces like lions because they wore war paint every time, they went out to battle. "And were as swift as the roes (deer) upon the mountains..." the North American Indians, were noted for being swift and elusive runners, to the point that the U.S. Cavalry tricked other Israelites (Apache's/ Buffalo Soldiers, etc.) toaid them in capturing many Indian nations, along with creation of the lethal Gatling Gun which rendered the bows and arrows of the Indians practically useless.

It is also worth noting that the tribe of Gad migrated into North America, likely the first (inland) land mass the House of Israel came into contact with after the migration from Assyrian captivity. The tribe of Gad has a history of getting to choose first so it makes sense as to why their tribe had settled in North America:

Deuteronomy 33

21" The people of Gad took the best land for themselves; a leader's share was assigned to them."
