

DOMAIN NAME ASSIGNMENT

THIS DOMAIN NAME ASSIGNMENT ("Assignment") is made and entered into this ____ day of September, 2011, by and between C Port Solutions, Inc., a Georgia corporation having a place of business at 2160 Hills Avenue, Suite A, Atlanta, GA 30318 ("Assignor"), and BTM Ventures, LLC, a Delaware limited liability company having a place of business at 3 Glenlake Parkway, Atlanta, GA 30328 ("Assignee").

RECITALS

WHEREAS, Assignor is the owner and registrant of certain domain names, including, but not limited to, the domain name registrations described in Exhibit A, attached hereto and made a part hereof (the "Domain Names");

WHEREAS, Assignor and Assignee have entered into that certain Asset Purchase Agreement, dated as of September ____, 2011 (the "Asset Purchase Agreement"), pursuant to which Assignor is selling, assigning, transferring and delivering to Assignee the Acquired Assets (as defined in the Asset Purchase Agreement), including the Domain Names, all as more particularly described in the Asset Purchase Agreement; and

WHEREAS, pursuant to the terms of the Asset Purchase Agreement, Assignee desires to purchase, acquire and accept from Assignor all right, title and interest in and to the Domain Names.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and with the intention of being legally bound hereby, Assignor does hereby sell, assign, transfer and set over unto Assignee: (i) all of Assignor's right, title and interest in and to the the Domain Names, the registration thereof, and any goodwill related thereto; (ii) all of Assignor's right, title, and interest in and to any trademark, servicemark, or trade name that is identical or similar to the Domain Names, together with any application to register or registration of the same, and all goodwill related thereto; (iii) all rights and causes of action of Assignor for past, present or future infringement of any of the rights transferred to Assignee by this Assignment, including the right to sue for and recover damages, royalties, fees, profits or other relief, including injunctive or other equitable relief; and (iv) all rights corresponding thereto throughout the world, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment and sale not been made.

Assignor further agrees that it will not execute any writing or do any act whatsoever conflicting with this Assignment, and that Assignor will use its reasonable best efforts to cooperate with Assignee in executing all documents and taking all actions that Assignee considers necessary or desirable to effectuate the transfer to Assignee of the rights contemplated by this Assignment, it being understood that this Assignment and the foregoing covenants and agreements shall bind, and shall inure to the benefit of, the respective successors, assigns and legal representatives of Assignor and Assignee.

This Assignment, including its terms and conditions, is and shall be limited by and is subject to all of the terms and conditions of the Asset Purchase Agreement, which are incorporated herein by this reference. Each party acknowledges and agrees that the

representations, warranties, covenants, agreements and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict between this Assignment and the Asset Purchase Agreement, the Asset Purchase Agreement shall control.

This Assignment may be executed in one or more counterparts, and each executed counterpart shall be considered an original of this Assignment. Furthermore, delivery of a copy of a counterpart signature by facsimile transmission or an electronic exchange methodology shall constitute a valid and binding execution and delivery of this Assignment, and such electronic copy shall constitute an enforceable original document.
