

STATE OF NEW HAMPSHIRE

HOUSE OF REPRESENTATIVES

Office of the Speaker

April 19, 2024

To Whom It May Concern:

I am writing in support of Krista Chamberlain who has worked in the Speaker's Office as our Administrative Assistant. Her experience with top-level administrators in a government setting proves her ability to be discreet and dependable.

During her time as part of my administration team, Krista has demonstrated her meticulous attention to detail through the coordination and planning of legislative lunches, House events, and meetings for my leadership team with high-ranking department heads and elected officials.

As the first point of contact for guests in the Speaker's Office, Krista is a professional who treats everyone with respect. Our nonpartisan office has the monumental task of supporting all Democratic, Independent and Republican Members along with House and Joint Staff while making sure legislative business continues. Krista has been able to work seamlessly with all these groups making everyone feel comfortable and welcomed.

Her many tasks included updating and maintaining a database of all House Members, ordering and tracking office supplies and special orders, providing support to House Members for travel and mileage reimbursement requests, daily interaction with constituents over the phone and in person, as well as general duties as needed. Krista took on the arduous task of researching every House Speaker who served in the New Hampshire House and cataloged the entire history of Speakers into a forward-facing document available for all visitors who come to the State House. It's this type of initiative that has helped our administrative office evolve.

She has been a wonderful asset to the Speaker's Office not just through her work, but in her genuine interactions with both co-workers and legislators. Things tend to change fairly quickly in government work, and despite the workload, she manages to remain fluid while managing multiple priorities. She is a true team player and would be a great asset to any organization.

With respect,

A handwritten signature in cursive script that reads "Sherman Packard".

Sherman A. Packard
Speaker of the House
