Delivery Times:

If there is a specific time you are needing your dumpster, please let us know and we will accomodate if there is room in the schedule. First morning appointments can be requested and can be accomodated based on availability, or for extremely time sensitive deliveries, you might opt to have your dumpster delivered the afternoon before.

Billing:

We guarantee delivery on the confirmed day. The invoice will be sent out after delivery via email and text. You can click and pay online. Please have the bill paid no later than 4 pm on the day before pickup to make sure you are included on pickup routes. A bill pay reminder will be sent out as well.

Extensions:

Extensions are \$25 per day beyond the original booking period. Please let us know at least the day before you'd like to extend for scheduling. Due to limited Saturday driving schedules, we cannot extend for Saturday pickup. We require payment every two weeks for extensions.
