Sampson County to Hold Nineteenth Annual Veterans Day Celebration

Exposition Center located on Warsaw Rd in Clinton. The event is scheduled for 3:00pm. Event coordinators would like to invite everyone out to join in the celebration of our Veterans and their sacrifice and service. The event is sponsored by the Sampson County Exposition Center, the Clinton-Sampson Chamber of Commerce, the Sampson County Office of Veterans Affairs, and Sampson County.

According to Ann Knowles, Director of Sampson County Veterans Services, "Saturday's event will be a day to celebrate our Veterans and their service to this country. This is a way that Sampson County citizens can show their appreciation to the ones who have fought for their County and Country. It tells all who live here, that our soldiers and veterans are important to us. We stop on Veterans Day to remember the sacrifices they made, so we can go about our lives each and every day as free people; with the right to worship in our churches and not be afraid of being taken prisoner. Even to the ones who protest our service, spit on our flag or burn our Bibles, the soldier fought to give them the right to express themselves. They know (the veterans) that this is their celebration and that we are thankful for their service."

On Saturday November 11, 2017, Sampson County will be holding its nineteenth annual Veterans Day Celebration at the Sampson County
