Forever Faithful

Saturday, April 19

9:30 am to 10:30 am

with Sherry Booe and Emily Rankin

Perennials provide a refreshing change in our gardens with their succession of blooms. Their foliage and seedheads give us structure and interest in all four seasons. Their fragrance, graceful movement, and attraction of butterflies and hummingbirds adds even more beauty to your outdoor spaces. Plants covered in this seminar feature a wide range of flower colors, bloom times, plant forms, sizes, and textures. You will be sure to learn all there is to know about these garden staples!

Enjoy some entertainment & refreshments!
