

The Sun Life Absence Management Services mobile app

Available to Apple and Android mobile phone and tablet users

With our app, employers and caregivers can take advantage of similar functionality to the www.sunlife-ams.com website. Users will need to register on this site in order to use the app.

- Caregivers can open new leaves, track time, or adjust current leaves
- HR can “work on behalf of” caregivers, review leave letters sent, check usage, and generate reports
- Easy-to-navigate dashboard highlights action items for caregivers and summary status
- FAQs and other topical resources help caregivers through process

Download Sun Life Absence Management Services so you can manage leaves on the go!
