

Laughter Rx Sponsorship Opportunities

Laughter Rx is a fundraising dinner event benefiting His Hands Free Clinic, supporting its mission to provide no-cost healthcare to low-income and uninsured individuals. Guests will enjoy an evening of dinner and entertainment while helping make compassionate care possible for those in need.

The event will take place on **September 17, 2026 at 5:30 p.m. at the Hotel at Kirkwood Center**. We invite you to become a sponsor for *Laughter Rx*. A variety of sponsorship levels are available, each offering meaningful ways to support the clinic while promoting your organization. Please select your preferred sponsorship and recognition options below.

A slide deck outlining audience demographics and media reach is available upon request.

Listed below are the sponsorship levels with detailed descriptions. A comprehensive benefits chart is provided on the back of this page.

Presenting Sponsor – \$15,000 As the exclusive Presenting Sponsor, you are recognized for investing in access to healthcare in Eastern Iowa and may choose to welcome guests from the podium.

Dinner Sponsor – Five gifts of \$5,000 (totaling \$25,000) You support patient advocacy and compassionate care, ensuring prayer support for each patient.

Match Sponsor – Gifts of \$50–\$10,000 Your support bridges the gap for families in need. With this sponsorship, you help encourage giving on the night of the event.

Entertainment Sponsor – \$3,000 You bring joy and hope to our community! With this sponsorship, you underwrite the live entertainment for the evening.

Social Time Sponsor – \$2,500 You value the connections in our community, ensuring everyone receives the healthcare they need.

Table Sponsor – \$850–\$1,000 You receive a table for 10 guests of your choice, with a table tent displaying your name and/or organization.

Booth Sponsor – \$400 Your organization receives a 6-foot by 3-foot table to display organizational materials during the event.

See the next page to learn about the benefits that each sponsorship level receives.
