A Word from the Executive Director

As I reflect on my first year at His Hands Free Clinic, the word that rises to the surface again and again is gratitude! Gratitude to God, for His faithfulness. This year has brought moments of joy, moments of challenge, and many moments that required trust—but through it all, God has been steady. He has gone before us, sustained us, and reminded me daily that this ministry is His, not ours.

I am deeply grateful for our staff and volunteers, who live out the mission of His Hands with compassion, humility, and perseverance. The care offered within these walls is not just medical—it is personal, dignifying, and rooted in love. I have witnessed firsthand the faithfulness of people who show up day after day, behind the scenes, to serve patients with excellence and grace. Their commitment is the heartbeat of this clinic.

I am also profoundly thankful for our donors. For 34 years, your generosity has sustained this ministry and made it possible for His Hands to serve those who otherwise might go without care. Your support is not just financial—it is an act of faith and partnership in God's work. Because of you, doors remain open, care is provided, and hope is extended.

I am honored to walk alongside this community as we continue to trust Him, serve faithfully, and steward this mission for years to come.

God Bless,

Testimonies of Healing and Hope

“Paw Control Wildlife supports His Hands Free Clinic because of the tangible improvements they bring to our community. Their commitment to compassionate, dignified care for those who might otherwise go without medical services inspires our continued partnership.”

Joe Taylor, Owner of Paw Control Wildlife

“From the minute you walk in the door you’re welcomed, Everybody’s sincerely trying to help you and not looking down on you. They want to help and uplift you. Whether you’re spiritual or not, everyone in this building, they just want the best for you. Everybody here was genuinely showing their concern and care.”

Irene, Patient

“Julie and I enjoy giving to local charities where we can see where the monies God has entrusted to us are going. Some of the stories of people His Hands Free Clinic has helped, even life-saving at times, enforces in our hearts that His Hands is a wonderful place for our “God money” to go.”

Paul and Julie Marshall

Testimonies of Healing and Hope

“I enjoy volunteering at His Hands Free Clinic because I love being of service. Serving is when I feel closest to God and feel his presence fully. It brings me an immense amount of joy to meet the needs of those in the community.”

Zack Owens , Volunteer Receptionist

They were just right there, willing to see what they could do. I felt like God was there helping me, I really did.

Judy, Patient

“The doctors, nurses, staff and volunteers truly treat others the way they themselves would want to be treated - with kindness, respect and to the best of their ability. I just love working with them...and the opportunity to share the hope and kindness of Jesus in 5 different languages in one afternoon.”

Brenda Carolan, Prayer Volunteer
