New for Summer 2025

Fun Fridays

These are designed to provide a more consistent weekly structure with a little more flexibility with play time. This will continue to help get them ready for their next school year all while keeping them active and entertained. Hours are from 9:00a.m. – 1:00p.m. and costs \$55 per Friday. Payment is due the Monday before that Friday. There will be no Fun Friday July 4th and the last week of camp, August 1st.

Extended Play

Everyone always wants to stay a little bit longer to play after lunch. We are offering an additional hour from 1:00 - 2:00 and the cost is \$13.

Camps for 2025

Each 4-day camp is inspired by a different theme and includes games, crafts, activities and outdoor play. One day a week (weather dependent) will be a water day. Snack is included but you must pack a nut-free lunch and water bottle. Class size is limited to ensure a high-quality hands-on, enrichment experience. The cost is \$225 per camp week. Balance is due on the Friday before the camp week starts.

*If you are using PayPal, please see payment amounts on page 6

1. *May 27-30 – Dino Roar - From the

Abelisaurus to the Zupaysaurus, we will have a blast being paleontologist exploring the world of dinosaurs. With games and activities such as digging for fossils and creating dinosaur models.

2. June 2-5 – Mythical

Creatures - A magical world awaits as we explore the world of mythical creatures!

Dragons, unicorns, trolls and mermaids will fill our days with wonder and creativity as we enjoy stories, crafts and activities inspired by fantasy.

3. June 9-12 – To Infinity & Beyond - Planets and stars and red dwarves, oh my! What child isn't intrigued by the wonders of the universe? We cannot wait to explore the solar

4. June 16-19 — Mad Scientists - Get ready for a week of exciting and hands-on experiments, discovery, and fun as we embark on an adventure in the world of science. Throughout the week, we will have the opportunity to explore various scientific concepts through experiments and interactive demonstrations.

system and beyond.

5. June 23-26 – Lego Mania Join us for a week of boundless imagination as we explore, create, and have a blast with LEGOs. We can't wait to witness the joy and pride on their faces as they bring their imaginative visions to life.

6. June 30-July 3 — Beach Bonanza - A beach-themed camp brings summer fun with sandcastle building, seashell collecting, and ocean animal crafts. We will create our own "beach" with sand and water play combined.

7. July 7-10 – Amazing Animals – We are going on a wild adventure exploring the wonders of the animal kingdom. From high flying animals to the deepest darkest ocean, we will investigate the characteristics, habitats and more of many different animals on this amazing earth.

8. July 14-17 – Super Heros & Villains - Superheroes endure generation after generation. With that said, there would be no need for superheroes without some top-notch villains to keep them on their toes. Join us as we research our favorites!

9. July 21-24 – Insect Investigators – Want to learn more about the world of bugs! We will be observing insects, making butterfly crafts, and doing a bug scavenger hunt.

10. July 28-31 — Sensory Science — Head, shoulder, knees and toes. Explore the 5 senses in this hands-on discovery of how were use our senses to be scientists.

*Week 1 runs Tuesday through Friday
