Do not forget to stay for extended play

Everyone always wants to stay a little bit longer to play after lunch. We are offering an additional hour from 1:00 – 2:00 and the cost is \$13.

Camps for 2026

Each 4-day camp is inspired by a different theme and includes games, crafts, activities and outdoor play. One day a week (weather dependent) will be a water day. Snack is included but you must pack a nut-free lunch and water bottle. Class size is limited to ensure a high-quality hands-on, enrichment experience. The cost is \$225 per camp week. Balance is due on the Friday before the camp week starts.

*If you are using PayPal, please see payment amounts on page 6

Week 1

*May 26-29 – Dino Roar - From the Abelisaurus to the Zupaysaurus, we will have a blast being paleontologist exploring the world of dinosaurs. With games and activities such as digging for fossils and creating dinosaur models.

*Week 1 runs Tuesday through Friday

Week 2

June 1-4 – Mythical Creatures - A magical world awaits as we explore the world of mythical creatures! Dragons, unicorns, trolls and mermaids will fill our days with wonder and creativity as we enjoy stories, crafts and activities inspired by fantasy.

Week 3

June 8-11 – Sensory Science – Head, shoulder, knees and toes. Explore the 5 senses in this hands-on discovery of how we use our senses to be scientists.

Week 4

June 15-18 – Insect Investigators – Want to learn more about the world of bugs! We will be observing insects, making butterfly crafts, and

doing a bug scavenger hunt.

Week 5

June 22-25 – Lego Mania - Join us for a week of boundless imagination as we explore, create, and have a blast with LEGOs. We can't wait to witness the joy and pride on their faces as they bring their imaginative visions to life.

Week 6

June 29-July 2 – Beach Bonanza - A beach-themed camp brings summer fun with sandcastle building, seashell collecting, and ocean animal crafts. We will create our own “beach” with sand and water play combined.

Week 7

July 6-9 – Amazing Animals – We are going on a wild adventure exploring the wonders of the animal kingdom. From high flying animals to the deepest darkest ocean, we will investigate the characteristics, habitats and more of many different animals on this amazing earth.

Week 8

July 13-16 – Super Heros & Villains - Superheroes endure generation after generation. With that said, there would be no need for superheroes without some top-notch villains to keep them on their toes. Join us as we research our favorites!
