

Dear : parents, students, family members and guardians,

It is with great excitement that I welcome you to the 2026–2027 school year and introduce myself as the Director of Copeland Run Academy! Last year was a wonderful success, and we're ready to keep climbing the ladder toward even greater achievements this year.

This will be my third year as Director, and I bring a strong foundation of experience and passion to this role. Prior to this, I spent five years as Assistant Director while also teaching Pre-K in a similar preschool setting. I have four years of experience as an elementary school teacher in both Philadelphia and Miami, five years as a public school music teacher for Pre-K through 8th grade, and 27 years as a private piano teacher.

In addition to my professional background, I'm also a proud preschool parent. Both of my children have grown and thrived in this type of early childhood environment, which has only deepened my commitment to providing high-quality care and education for young learners.

I hold a Bachelor of Music in Music Education from Temple University and a Master of Arts in Education/Administration and Supervision from the University of Phoenix. I'm certified to teach Pre-K through 4th grade as well as Music from Pre-K through 12th grade.

My husband and I have two wonderful children—our youngest will be entering 2nd grade this fall, and our oldest is heading into 8th grade. As a passionate advocate for early childhood education, my goal is to foster a nurturing, engaging, and supportive environment where all children can learn, grow, and thrive.

Thank you for entrusting your precious little ones to our care. I'm truly honored to be part of their educational journey and look forward to getting to know each of you as we work together to make Copeland Run Academy the best it can be!

Warmly,
Dana Sapp
Director, Copeland Run Academy
