What's your purpose?

Do you ever wonder what strengths and gifts God has given you to serve Him or ask yourself "what's my purpose?" Some of you may already know but we will use this day to help you find out! And see how you can use those strengths and gifts to not only serve Him but in your personal or professional life also!

"Make a careful exploration of who you are and the work you have been given, and then sink yourself into that. Don't be impressed with yourself. Don't compare yourself with others. Each of you must take responsibility for doing the creative best you can with your own life."

The Takeaways

PERSONAL & SPIRITUAL GROWTH

"God does not give you gifts that He does not call you to use, nor does He call you to do something for Him without equipping you with the necessary gift or gifts to do it."

C. Peter Wagner
