## Message from the Detachment Commander

I am pleased to present the Nottawasaga Detachment – 2025 Detachment Board Annual Report. This report summarizes 2025 results across crime, traffic enforcement, and community well-being, and highlights the key initiatives and outcomes delivered over the past year. As 2025 concluded the 2023-2025 Nottawasaga Detachment Action Plan, the report also provides a final update on progress and outcomes achieved under that plan.

Detachment members delivered strong operational results throughout the year, including a coordinated response to an increase in residential arsons affecting partially occupied new-build areas in 2024 and 2025. In partnership with local fire investigators, the Ontario Fire Marshal, home builders, municipal stakeholders, policing partners, and OPP specialty units, we executed six (6) search warrants across the GTA and Simcoe County. This work resulted in six (6) arrests and charges of arson and conspiracy to commit an indictable offence.

Traffic safety remained a core priority, supported by targeted capability-building and enforcement in the Commercial Motor Vehicle (CMV) space. We achieved one (1) CMV inspector designation following several weeks of training and supervised inspections and delivered a three (3) day CMV orientation course to ensure each platoon has access to specialized support. Working with the Ministry of Transportation (MTO) and neighbouring OPP detachments, we conducted ten (10) local enforcement initiatives to reinforce compliance and promote safer driving behaviours.

We continued to modernize frontline operations by expanding our use of technology. Building on in-car cameras in each patrol vehicle, body-worn cameras were introduced in 2025 to strengthen evidence capture, enhance transparency, and support public and officer safety.

We strengthened offender management and compliance through the establishment of a dedicated Offender Management Apprehension Program (OMAP) coordinator role. In collaboration with the Crime Reduction Unit, 546 compliance checks were completed, identifying 21 individuals in breach of court-ordered conditions and resulting in appropriate investigative follow-up. The teams executed 123 judicial warrants and completed 119 arrests, supporting community safety and accountability. The office also led a DNA street sweep that resulted in the execution of numerous outstanding DNA orders.

We advanced system coordination by establishing a cross-agency working group to strengthen shared training, improve consistency, and address common operational challenges among justice partners. Quarterly meetings included regional police services, probation and parole, the Crown's office, correctional services, and OPP units. We also maintained strong partnerships with the Child and Youth Advocacy Centre and the Sunrise Centre at Headwaters Health Care Centre to support investigations involving intimate partner violence (IPV) and sexual assaults, guided by a victim-centred and trauma-informed approach.

In 2026, we will release the 2026-2029 Nottawasaga Detachment Action Plan—our first action plan developed under the *Community Safety and Policing Act* (CSPA). In partnership with the Nottawasaga OPP Detachment Board and through community engagement, we are setting clear priorities and measurable commitments that reflect local needs and support effective governance over the next four years.

Development of the 2026-2029 Nottawasaga Detachment Action Plan will be aligned with the 2026-2029 OPP Strategic Plan to ensure strategic coherence and organizational alignment.

Looking ahead, the detachment remains focused on delivering measurable results in community safety, maintaining public confidence, and supporting our members with the capabilities required to meet evolving demands.

| Continue the partnership with internal and external agencies to facilitate information sharing on crime trends and suspect information.                                   | <p>We strengthened our partnerships with both internal and external agencies by continuing our collaborative work with the Canadian Forces Military Police at Base Borden. Through regular information sharing, we ensured a coordinated and effective response to sexual assault investigations occurring on the base.</p> <p>We also enhanced our information sharing practices with community partners such as the Child and Youth Advocacy Centre (CYAC) in Barrie. By working closely with CYAC to support youth victims of crime, we facilitated timely access to specialized resources and maintained ongoing communication throughout and after investigations, ensuring a seamless, victim-centered approach.</p> |
| Enhanced investigation and oversight of IPV investigations.                                                                                                               | <p>The Major Crime Unit enhanced its ability to investigate and oversee IPV cases by completing a wide range of specialized training. Members received instruction in areas such as the Ontario Sex Offender Registry, offences against children, homicide investigations, advanced interviewing techniques, sexual assault investigations, forensic genealogy, fraud investigations, and Ontario Major Case Management.</p> <p>Investigators also attended a Hidden Homicide training day delivered by Peel Regional Police, further strengthening their capacity to identify risk factors, recognize concealed forms of IPV related harm, and apply more rigorous investigative oversight to complex files.</p>          |
| Continue a collaborative approach to opioid misuse within our local communities and ensure investigative excellence by leveraging the Community Street Crime Unit (CSCU). | <p>The Community Street Crime Unit (CSCU) advanced our collaborative approach to addressing opioid misuse by partnering with Orillia CSCU and York Regional Police Service to conclude Project Baron, a targeted investigation into fentanyl and firearms trafficking across the Central Region. The project resulted in the seizure of 13 firearms, including 8 handguns, along with 1.5 kilograms of fentanyl, 400 grams of cocaine, and associated trafficking proceeds, demonstrating the unit's continued commitment to investigative excellence and community safety.</p>                                                                                                                                            |

## Other Community Updates

In 2025, the Nottawasaga Detachment continued its work to support community safety and well-being through prevention, engagement, enforcement, and strong partnerships across the region. The detachment launched a fraud-prevention initiative focused on increasing public awareness and strengthening investigative response to financial crimes. Members partnered with CHATS, CONTACT, and the Town of New Tecumseth to deliver presentations to seniors on current fraud trends, prevention strategies, and how to report suspected incidents. A dedicated Detective Constable was assigned to fraud investigations to ensure consistent expertise in managing complex financial crime matters.

In response to concerns raised by residents, officers increased patrols in public parks and other identified areas. These patrols addressed issues involving encampments, drug paraphernalia, property damage, and trespassing, while also connecting individuals experiencing homelessness with community and social service supports. Members remained active participants in weekly multidisciplinary situation tables with partners from mental health, social services, housing, education, and municipal agencies. These meetings focused on identifying individuals and families at elevated risk and coordinating early intervention efforts, reducing repeat police contact and addressing underlying safety concerns.

The CSCU continued to play a key role in addressing property crime, drug activity, and repeat offenders across the detachment area. CSCU concluded a stolen-property investigation resulting in the execution of a search warrant and the seizure of multiple off-road vehicles and tools valued at approximately \$60,000, with one person arrested. In Essa Township, CSCU investigated a series of break-ins using technological and physical surveillance to identify the suspect, who was arrested and charged with eight break-and-enter offences and related charges. CSCU also executed a search warrant related to stolen vehicles, seizing three vehicles valued at approximately \$100,000 and arresting five individuals. In addition, CSCU concluded a firearm and drug investigation that resulted in the seizure of cocaine, two firearms, and several prohibited weapons, with two persons arrested. These investigations contributed to the disruption of criminal activity and the recovery of stolen property within the community.

The detachment strengthened offender management through the introduction of a dedicated OMAP Coordinator, who worked closely with the Crime Reduction Unit to complete 546 compliance checks throughout the year. These checks identified 21 individuals in violation of court ordered conditions, resulting in appropriate investigations. The teams also executed 123 judicial warrants and completed 119 arrests, contributing to enhanced community safety and accountability. The Nottawasaga court office continued to support frontline members by ensuring charges were properly prepared for court and by assisting new officers in understanding judicial processes. The office also led a DNA street sweep that resulted in numerous outstanding DNA orders being executed.

The Operational Support Unit established a cross-agency working group to improve coordination and training among justice partners. Quarterly meetings included representatives from regional police services, probation and parole, the Crown's Office, correctional services, and OPP units. The group focused on shared challenges, consistent practices, and enhanced cooperation across agencies. The detachment also maintained strong partnerships with the Child and Youth Advocacy Centre and the Sunrise Centre at Headwaters Health Care Centre to support investigations involving IPV and sexual assaults, using a victim-centred and trauma-informed approach.

Some events may have been actioned by another OPP member, diverted to another unit, or deemed a non-OPP event. This does not include officer or detachment generated events that have not been reported through the PCC, or any online reporting events.

\*\* This represents the total number of CAD events prioritized for an immediate police response, indicating the potential for extreme danger, catastrophic circumstances, injury, the threat of injury, death, and/or crime in progress.

## Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA)*

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP's ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

# CONTACT THE OPP

Know your location - be ready to describe the situation and your location. Look for addresses, landmarks and buildings that may help identify your location.

## REACH THE OPP BY PHONE

- Call 9-1-1 if there is an immediate risk to someone's life or property
  - to stop or report a crime in progress
  - to report a fire
  - to report a life-threatening medical emergency
  - Don't hang up, stay on the line
- To report non-life-threatening incidents that require a police response, use the non-emergency line (1-888-310-1122) or go to [opp.ca/reporting](http://opp.ca/reporting)
- TTY 1-888-310-1133 or agent 511 for registered subscribers may be used for individuals in the Deaf, Hard of Hearing and Speech Impaired (DHHSI) community to contact police
- For all administrative inquiries or to schedule an appointment, find contact information for your local detachment at [opp.ca/detachments](http://opp.ca/detachments)

## PROVIDE AN ANONYMOUS TIP

- Call Crime Stoppers at 1-800-222-8477 (TIPS) or visit [www.crimestoppers.ca](http://www.crimestoppers.ca)

## REPORT AN INCIDENT ONLINE

- The OPP offers online reporting for minor, non-emergency occurrences in areas of OPP jurisdiction. [opp.ca/reporting](http://opp.ca/reporting) allows you to submit a report without visiting or calling.
- Use the online reporting tool for:
  - Theft Under \$5,000
  - Mischief / Damage to Property Under \$5,000
  - Mischief / Damage to Vehicle Under \$5,000
  - Theft from Vehicle Under \$5,000
  - Lost / Missing Property Under \$5,000, including a licence plate(s) or validation sticker(s)
  - Driving Complaints

**If you are reporting an emergency, call 9-1-1.**

## #KNOWWHENTOCALL

9-1-1 is for emergencies only: If there is an immediate risk to someone's life or property.

- ✓ a crime in progress
- ✓ a fire
- ✓ a life-threatening medical emergency

Dialed 9-1-1 accidentally? #Be911Ready. Don't hang up, stay on the line and speak with an OPP Communicator to confirm there's no emergency.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.
