

Thanks to the incredible generosity of our committed donors, UIT purchased a piece of land in Ukraine in 2024 and launched our ambitious \$3,000,000 capital campaign. *Scroll down to see the details of our first fundraising happy hour in February at Valor Brewpub in Washington, D.C.!*

We are building a state-of-the-art facility providing comprehensive, holistic, trauma-informed care to veterans, civilians, families, and children who have been profoundly impacted by the on-going war.

~ IMHC & UIT ~ NEW HIRE ~

International Mental Health Consulting, Inc. [IMHC] is UIT's founding organization and on-going partner. IMHC is a Virginia-based non-profit located in Chesapeake, VA and we have added a second office in Alexandria, VA with the

recent hire of Carrie Ann Alford to lead the capital campaign to make UIT a reality.

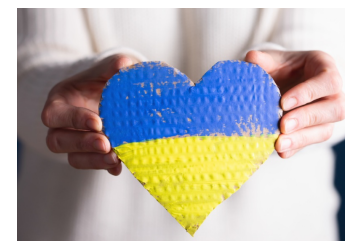

With Carrie Ann will serve as UIT Project Manager, leading the capital campaign and responsible for fundraising and communications. She may be reached by phone or text at **571-259-0110** or by email at caa727@gmail.com.

Carrie Ann has over 25 years of professional experience and is an experienced policy professional, consultant, writer and fundraiser with a demonstrated history of bipartisanship in veterans policy at the state and federal levels. She has a track record as a strong community leader and a proven track record in building broad coalitions for policy, nonprofits and capital campaigns. She comes to IMHC from Gunston Hall the historic home of George Mason, where she was part of a team working on a \$7.4M capital campaign, as well as leading on-going fundraising efforts for the Annual Fund and other events and projects. In 2018, she was nominated for the Professional Women In Advocacy “Excellence in Advocacy for a State Issue Campaign Award”.

She lives in Alexandria, VA with her dog Goose, a French Brittany, who is excited to serve as IMHC Chief Morale Officer. In her free time, she sings in the choir at historic Christ Church Alexandria, is active in the Daughters of the American Revolution, serving her chapter, state society and the national society in several ways, and loves finding time to explore the many museums, historic sites, restaurants and outdoor activities in the Washington, D.C. area.
