**Our summer camp is open to middle and high school young ladies who play brass, woodwind, or percussion instruments. Rising 6th graders with at least one year of playing experience are welcome too!**

Campers will enjoy rehearsing and performing in the beautiful Benson Great Hall, one of the finest performing arts centers in the St. Paul and Minneapolis area. Located on the picturesque campus of Bethel University, the Athena Music & Leadership Camp is only 15 minutes north of downtown Minneapolis and 25 minutes from the Minneapolis–Saint Paul International Airport.

The Athena Camp provides a wide variety of experiences. It is not uncommon to see middle school campers who are just beginning to learn how to play, high school campers who are perfecting their skills, college students who are learning to teach and inspire, and professionals who have been teaching anywhere from 1 to 40+ years. What better way for young ladies of all ages to connect and learn.

Our leadership and empowerment workshop sessions focus on confidence building, communication skills, and self-awareness. All students participate in small group discussions designed to improve self-esteem, leadership, and team-building skills. They also receive valuable information about continuing music participation after middle school and high school band.

Each student musician learns and reviews performance fundamentals such as balance, blend, intonation, and musicianship through master classes, chamber music, and large ensembles. Experience introductory courses in music theory, conducting, and more! Students will perform in a Finale Concert on Thursday afternoon.
