Donation Form

The Odd Fellows and Rebekahs Pilgrimage for Youth program is looking for partners to help cover the cost of our delegates on this once in a lifetime educational tour. The fee we charge to sponsor a delegate covers approximately 80 percent of the total cost of the tour. We depend on donations to cover the final 20 percent. I'm asking your lodge to reach out and make a difference in a young person's life and future. This educational program is sponsored by the Independent Order of Oddfellows and Rebekahs. Your generosity has made this program a success for over 72 years. Through your continued donations, you and your lodge will keep this program funded into the future. Your kindness through a monetary donation will be used to provide meals, T-shirts, admissions to various venues, lodging, as well as supplies needed to ensure delegate safety. Thank you for your continued support and dedication to this program.

Return this form and your donation to:
