#### Staff Guidelines - 2024

Individuals must submit a current year Staff Application by November 1st to the Program Office. Each application will be reviewed by the Board of Directors and the Board of Directors will approve or deny said application. Each applicant will be notified of the Board of Directors' decision.

The list of guidelines and responsibilities may appear lengthy, but the responsibility of a large group of high school students can be overwhelming. Parents have entrusted us to keep their children safe, content and informed while participating on this once in a lifetime trip. Therefore, the guidelines and responsibilities are necessary to ensure a successful educational experience for each delegate.

The following attributes are essential for a successful Tour.

**Cell Phones** – Cell Phones are required for Staff and must be usable in the United States and Canada. You may have to purchase a prepaid phone. Inform the Executive Director of your cell phone number.

**Delegate Information** – Prior to the start of the tour the Executive Director will inform you of any special needs/medications/medical conditions of delegates, chaperones, or tour leaders.

**Membership** – Staff must be either Odd Fellow or Rebekah members with a minimum age of 30.

**Identification** – A valid PASSPORT is required for everyone participating in the program.

**Demeanor** – Staff are required to conduct themselves in a manner that is always worthy of respect.

**Discipline** –Maintaining a sincere and friendly relationship between other leaders, delegates and staff members is a necessity. This is a non-smoking, drug and alcohol-free tour. Anyone unwilling to cooperate in the entire program and/or refusal to follow the rules will be sent home immediately at their expense.

**Financial** – the Program will pay for the staff hotel room, transportation to and from the arrival and departing city of the Tour. Transportation fee to and from arrival and departure city of tour shall be arranged in conjunction with the Program Executive Director.

**Knowledge** – A good understanding of the tour and itinerary is helpful.

**Physical** – The Tour requires that staff be able to withstand long hours of supervising young people while maintaining a cheerful attitude. At times there may be insufficient sleep due to the responsibilities. Staff must be in good physical condition and healthy. There are days when you may walk long distances.

**Performance** —One of the primary duties is to see that all delegates, chaperones, tour leaders, and volunteers conduct themselves in an orderly manner at all times. Arrange for the pickup and drop off of delegates at the airport and the arrival and departure of drive in delegates.

**Skill** – Staff must maintain a high level of skill in the proper completion of arrangements made by the Executive Director. This includes lodging, meals and accurate record keeping of all expenditures and with a prompt report sent to the Executive Director upon the completion of the Tour.

**Room Checks** – It will be mandatory that Tour Leaders and Staff make nightly bed checks, even if you awaken sleeping delegates. Never allow mixed gender in a hotel room. Delegates may not swap rooms.

**Communication** – Communication between staff, volunteers and tour leaders is a must. Your cell phone number should be given to the volunteers, tour leader and bus driver.

**Money** – The Executive Director will issue you a check to pay for any non-prepaid meals or transportation costs.

• How do I carry this much money?

■ The hotels may have a safe – use the safe. Otherwise carry the funds on your person or obtain and use a prepaid credit card. Ask if you can pay one lump sum at a restaurant or places you may need to pay for.

2024 Staff Guidelines

- If the tour buses must pay a fee at the airport, arrange payment with the bus driver.
- Make sure delegates flying home at the end of the Tour have personal funds to purchase a snack at the airport, if not, provide \$10.00 and note this expenditure on your expense report.
- **Lodging and Meals** All lodging has been pre-arranged and pre-paid by the Executive Director. If any problem arises with any arrangements, contact the Executive Director immediately. Keep a copy of the bill from the hotel or meal and turn in at the end of the tour.
- **Program Staff** –Monitoring delegate safety and rule compliance is of utmost importance. Any concerns should be addressed to the Executive Director.
- **Laundry** If delegates need to do some laundry, one person from each room could do laundry for the whole room using washers and dryers at the hotel if this is okay with the hotel. You should not allow more people washing than washers available. Remember everyone pays for their own laundry, not from program expenses.
- **Medical Situations** If a medical situation occurs, take care of the situation first. When able; call the Executive Director to inform of the situation. Keep notes of what occurred and how resolved, turn in notes with end of tour report. You and the Executive Director will discuss the best way to handle the situation and contact of the parents/guardians. At no time may you dispense medication.
- Report after Tour is Over Staff are required to provide a written report after the tour is over. Critique the tour, your experience will provide vital information that may be used for future tours. An Expense Report accounting for all expenditures of funds with any balance remaining is required and is returned to the Program Office. Keep all original receipts in the folder provided in the 3-ring binder to return with your accounting. All these items shall be returned to the Program Office within 10 days at the end of the trip. (3-ring Binder, Expense Report, Remaining Funds, Receipts, Written Report)

Remember: this is an educational experience, not a vacation or a shopping excursion for either Tour Leaders or Delegates.

The important job you do is appreciated by the Board of Directors and the Executive Director of the Pilgrimage. Thank you.
