

Friends of the Youth of Webb County,

The **Webb County Agriculture Nonprofit(WeCAN)** was founded on the principles of assisting and providing opportunities for all youth involved in agriculture in our communities. Involvement in livestock projects allows children to develop their potential for leadership, personal growth and career success.

WeCAN is excited to offer our livestock award program to all students involved in FFA & 4-H in Webb County. This program will be a AST, CEA, or 4-H Club Manager recommended student program along with an essay from the prospective recipient. **WeCAN** will be awarding a market steer, goat, sheep, or swine project to one deserving individual in each species for the 2025 Major Show/County Fair season. We hope and pray that this would allow driven individuals the opportunity to raise and exhibit a quality livestock project.

WeCAN looks forward to finding committed youth to raise these projects in the coming year. We know that there are exhibitors in our communities who are in need and we are here to fill that need. The deadline for applications is May 1, 2024. If you have any questions please feel free to contact us.

Thank you,

Alfonso R. Garza
