1. Assumption of Golf Course Risks.

(a) Original Declarant constructed, operates and maintains a golf course, driving range, club house, practice facilities and maintenance facilities on the Golf Property (collectively "Golf Course"). Declarant anticipates that the proximity of the Lots to the Golf Course will enhance the desirability and value of the Lots to purchasers and their successors and assigns. Nevertheless, purchasers and owners of the Lots should be aware that there are risks associated with the Lots' proximity to the Golf Course. By acceptance of a deed to a Lot, each Lot Owner acknowledges that owning property adjacent to or in

proximity with the Golf Course is subject to the following risks and that the Lot Owner assumes each of these risks and the disturbance to or loss of privacy resulting from such: (i) the risk of damage to property or injury to persons and animals from golf balls hit on or over a Lot Owner's Lot; (ii) the entry by golfers onto Lot Owner's Lot to retrieve golf balls; (iii) overspray in connection with the watering or fertilizing of the Golf Course; (iv) noise from Golf Course maintenance and operation equipment (including, without limitation, compressors, blowers, mulchers, tractors, utility vehicles and pumps) all of which may be operated at all times of the day and night and/or continuously; (v) the use of fertilizers, pesticides and other chemicals on the Golf Course; (vi) odors arising from irrigation and fertilization of the turf situated on the Golf Course; and (vii) disturbance and loss of privacy resulting from golf cart traffic and golfers. Each Lot Owner acknowledges and understands that (i) pesticides and chemicals may be applied to the Golf Course throughout the year, (ii) reclaimed water, treated waste water or other sources of non-potable water may be used for irrigation of the Golf Course, (iii) any portion of the Golf Course may be lit, and (iv) the right of privacy appurtenant to each Lot shall be subject to such disturbance and invasion by noise, windblown debris and the like, as are normally associated with the operation of golf course construction, grass mowing and maintenance equipment.

(b) Each Lot Owner expressly assumes such detriments and risks and agrees that neither Declarant, any builder of a residence on a Lot, The Association, the Golf Course owner(s), the Golf Course designer, the Golf Course builder, or any director, officer, manager, employee or agent thereof, nor any of their successors or assigns, shall be liable to the Lot Owner or occupant of any Lot, or any family member, guest, employee or agent, or anyone else claiming any loss or damage, including, without limitation, indirect, special or consequential loss or damage arising from personal injury, bodily injury, destruction of property, trespass or any other alleged wrong or entitlement to remedy based upon, due to, arising from or otherwise related to the proximity of the Lot Owner's Lot or residence to the Golf Course or to adjacent golf paths that are located on private property and not within the Golf Property.

2. Easements. The Declarant hereby declares, grants and establishes the following easement on the Lots in favor of the owner of the Golf Property, its successors and assigns in ownership of all or any part of the Golf Property, and lessee, licensee, permittee or invitee of the owner of all or any portion of the Golf Property, further including Wilderness Ridge, L.L.C., a Nebraska limited liability company, and its successors and assigns, and the members of Wilderness Ridge, L.L.C, (collectively the "Grantees"), which shall be appurtenant to and run with the land:

perpetual easement for (i) overspray in connection with watering and fertilizing of the Golf Course; (ii) the intrusion of golf balls onto or over the Lots from the Golf Course; (iii) the entry of golfers at reasonable times and in a reasonable manner to retrieve golf balls; and (iv) the intrusion of noise from mowing and other power equipment during all hours of the day and night. Grantees shall not be liable to any Lot Owner for damage to person or property occasioned by such overspray, entry or intrusion unless occasioned by the intentional act of such person.

Without limitation of the foregoing, the Grantees shall include and persons or entity which contacts to operate any portion of the Golf Course on the Golf Property, and any golfer who is duly authorized to play golf on the Golf Course.

4. Restriction on landscaping within Adjacent Area. Neither the Association nor any Lot Owner shall install and landscaping within the Adjacent Area that (i) obstructs the view of the Golf Course, or (ii) creates a barrier or obstacle that restricts or in any manner impedes access from the Golf Course into the Adjacent Area (e.g., a hedge).

5. Golf Course Configuration and Lighting. The owner of the Golf Property may from time to time change the configuration and layout of any portion of the Golf Course on the Golf Property. Such changes may affect the frequency, trajectory and velocity of errant shots which pass onto any individual Lot. The owner of the Golf Course may also, from time to time, light any portion of the Golf Course. Nevertheless, no Lot owner shall have any right to object to, or in any manner limit the lighting of any portion of the Golf Course or changes to the Golf Course on the Golf Property, and the easements granted in this Article shall remain fully effective as to all the Lots after such changes.

6. Private Property. The Golf Property is private property. Each Lot Owner acknowledges and understands the owner of the Golf Property shall have the right to change all or any portion of the Golf Course from public to private at any time. Neither the Association nor any Lot Owner shall have any right in and to the Golf Course located on the Golf Property or any amenities contained therein, including the right to enter upon or use any portion of the Golf Course, above the general public, except as may be granted by the owner or operator of the Golf Course from time to time. Lot Owners and their invitees shall comply with all the rules and regulations of the operator of the Golf Course relating to use of and play on the Golf Course. Each Lot Owner acknowledges, understands and agrees that no Lot Owner shall have any right to compel the owner of the Golf Course to maintain the Golf Course or any improvements thereon to any particular standard of care and that the appearance of the Golf Course and improvements shall be determined in the sole discretion of the owner of the Golf Course. In addition, each Lot Owner acknowledges that there is no guaranty that said Lot Owner's Lot will have an unobstructed view, or any view at all, of the Golf Course, or lakes or ponds located thereon.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Lot Owner at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purpose of the Association described in Paragraph 1 of this Article, and to perform the powers and responsibilities of the Association described in Paragraph 3 of this Article.

(a) Any wall placed or constructed on any common Lot line between two adjoining Lots within the Townhome Property shall be a Party Wall. Any expenses of the structural repair, replacement or reconstruction of a party wall or of the protection of a party wall against the natural elements (including the repair or replacement of a roof over such a party wall) shall be borne equally by the Members who are record owners of such adjoining Lots.

(b) Each adjoining Lot Owner hereby grants and conveys to each other the right of support for any party wall in the erection of buildings on their respective Lots, and for the purposes of making all necessary connections to said party wall for the construction of any building on their respective Lot. Each Lot Owner hereby consents to the encroachment of the roof overhang from the roof over the adjoining Lot with which such Lot Owner shares a party wall and a common roof.

(c) Any single roof covering adjoining Lots shall be constructed of identical material. In the event of a dispute between adjoining Lots concerning the repair or maintenance for a single roof or a party wall, such dispute shall be submitted to the Board of Directors of the Association, who shall have the sole and absolute authority to rectify such dispute between such adjoining Lot Owners. The provisions of this Paragraph shall not operate to relieve and Lot Owner from any liability which such Lot Owner may incur by reason of negligent or willful acts or omissions resulting in the damage or destruction of a party wall.

ARTICLE VI
GENERAL PROVISIONS

1. Water and Mineral Rights. Each Lot Owner by acceptance of a deed to a Lot acknowledges that mineral and water rights have been reserved from such Lot and are not being transferred to Lot Owner.

2. Enforcement of Declaration. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. Except for the authority and powers specifically granted to the Declarant, the Declarant or any Lot Owner named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any Lot Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

3. Amendment. This Declaration may be amended by Declarant, or any person, firm, corporation or partnership designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion until such time as Declarant, or any person, firm, corporation or partnership designated in writing by Declarant no longer has any ownership interest in the Townhome Property. Thereafter this Declaration may be amended by a written instrument signed by the Lot Owners of Lots comprising not less than sixty-six percent (66%) of the total votes of the Lots covered by this Declaration; provided, however, any amendment to this Declaration that would affect the view of the Townhome Property from the Golf Course (e.g., fences, exterior restrictions, animal shelters, temporary or permanent structures, etc.) must also be approved by the owner of the Golf Course, which approval may be withheld for any reason.

4. Assignment. The Boulders at Wilderness Ridge Townhomes Association shall have the power to assign any or all of its rights and duties as Declarant in this Declaration to a successor or assign, at such time as the Declarant deems appropriate, by filing a Notice of Assignment of Declarant Rights and Duties that delineates which rights and duties are being assigned. Upon such filing, the Association may appoint itself or another entity, association or individual to serve as Declarant with respect to those remaining rights and duties the Declarant has not previously assigned to another entity, association or individual under a Notice of Assignment of Declarant Rights and Duties, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant with respect to those remaining rights and duties.

5. Partial Invalidation. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this 5th day of January, 2022.
