Activity Or Mission Description

Description

into the civilian world by providing them with a safe place to heal while advocating for and empowering them to lead healthy, happy life beyond their military service.

Mission Description

Description

Building Thriving Communities among Veterans, to help them through difficulties often experienced as they navigate the military-to-community transition. We have developed strategies to narrow the "civilian-military divide" by bringing together Veterans and supporters, to work side by side, build infrastructure, and experience farm life. These activities reduce Veteran isolation and help them feel more connected to others. It also gives those who don't know any military members or Veterans an opportunity to meet some of "the 1%" who volunteered to fight for our country.
