Independent Auditor's Report

To the Board of Directors
Valor Ranch Inc
Decatur, Texas

Report on the Financial Statements

I have audited the accompanying consolidated financial statements of Valor Ranch Inc (VR), which comprise the consolidated statements of financial position as of December 31, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these consolidated financial statements based on my audits. I conducted the audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for the audit opinion.

Opinion

In my opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Valor Ranch Inc as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

VALOR RANCH INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations – Valor Ranch Inc (“The Organization”) was formed in the State of Texas On October 3, 2018 and has been approved by the IRS as a “charity” type of 501(c)(3). It operates a working ranch near the City of Decatur, Texas.

The Organization was an original vision of Keri Wilcox to serve “Sheroes” or female veterans in need. This is done by focusing on a holistic approach. Each veteran is housed in her own cottage on the ranch. She will also share in activities such as cooking, gardening, and tending to the animals to support the ranch population.

Additionally, the SHERO will participate in group, one-on-one, equine therapy, budgeting, cooking classes, as well as volunteering in the community to enhance her life skills and increase her self-worth. Valor Ranch provides a safe, nurturing environment where SHEROES can stay for up to 12 months to refocus and outline the next chapter of her story.

Promise to Give - Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Revenue and Cost Recognition - We recognize contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Donated Services and In-Kind Contributions - Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. We record donated professional services at the respective fair values of the services received.

Advertising Costs - Advertising costs are expensed as incurred.

Federal Income Taxes - The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as a Charitable Organization. As such it is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS.

Cash and Cash Equivalents - For purposes of the statement of cash flows, cash and cash equivalents include cash in banks and all short-term debt securities purchased with a maturity of three months or less, if any.

Restricted Cash - Grants from Foundations are required to be placed in separate bank accounts.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Net Assets - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor- (or certain grantor-) imposed restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

NOTE B - CONCENTRATIONS

The Organization's two bank accounts are with Wells Fargo Bank. The balances never exceeded the federally insured amount of \$250,000. The largest combined balance during the year was \$147,770.

NOTE C - RESTRICTIONS ON NET ASSETS

Substantially all the restrictions on net assets at the end of the year are related to funds for the "Heartspace Initiative Grant #2". The amount remaining restricted on December 31, 2020 was \$46,501. This grant was to provide individual living spaces for the Veterans to reside in. Details of Expenditures can be found on the Statement of Functional Expenses.

NOTE D – PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31, 2020 and 2019

	<u>2020</u>	<u>2019</u>
Buildings	\$ 190,487	\$ 0

Depreciation expense will begin in 2021

NOTE E - SUBSEQUENT EVENTS

The Organization's management has evaluated subsequent events through November 9, 2021, the date that the financial statements were available to be issued.
