Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III ☐

1 Briefly describe the organization's mission:

Empowering our Nation's SHEROES "Women Veterans" to continue to write their story. The primary goal of Valor Ranch is to reintegrate female veterans (SHEROES) back into the civilian world by providing them with a safe place to heal while advocating for and empowering them to lead a healthy, happy life beyond their military service. Our organization is actively involved in Building Thriving Communities among Veterans, to help them through difficulties often experienced as they navigate the military-to-community transition. We have developed strategies to narrow the "civilian-military divide" by bringing together Veterans and supporters, to work side by side, build infrastructure, and experience farm life. These activities reduce Veteran isolation and help them feel more connected to others. It also gives those who don't know any military members or Veterans an opportunity to meet some of "the 1%" who volunteered to fight for our country.

Form 990 (2022)

Form 990, Part III, Line 4a:

To serve female veterans in need by focusing on a holistic approach. The primary goal of Valor Ranch is to reintegrate SHEROES (female veterans) back into the civilian world by providing them a safe place to heal while advocating and empowering them to lead a healthy, happy life beyond their military service. Each veteran is housed in her own cottage on the ranch. She will share in activities such as cooking, gardening, and tending to the animals. Veterans participate in the group, one-on-one, and equine therapies. Budgeting and other life skills classes are available. Valor Ranch provides a safe, nurturing environment where female veterans can stay up to 12 months to refocus and outline the next chapter of their stories. We continuously strive to help any veteran or first responder who comes to us with a need. Empowering our Nation's SHEROES "Women Veterans" to continue to write their story. The primary goal of Valor Ranch is to reintegrate female veterans (SHEROES) back into the civilian world by providing them with a safe place to heal, while advocating and empowering them to lead a healthy, happy life beyond their military service. Our organization is actively involved in Building Thriving Communities among Veterans, to help them through difficulties often experienced as they navigate the military to community transition. We have developed strategies to narrow the 'civilian-military divide" by bringing together Veterans and supporters, to work side by side, build infrastructure, and experience farm life. These activities reduce Veteran isolation and help them feel more connected to others. It also gives those who don't know any military members or Veterans an opportunity to meet some of "the 1%" who volunteered to fight for our country.
