### Featured Listener Comment

"I greatly appreciate how clearly you explain what I always saw as "contradictions" and couldn't get explained from churches either - made me wonder if they didn't see them. Scripture just seemed a wrinkled up mess after years of man stomping on it

- But I trusted that God was greater than man in being able to preserve it - correctly. I just had to learn how to read it! Once I did, all the wrinkles came out and the right path for today is SO clear! It's so sad (even to death) how the Enemy has been able to twist the Truth of Paul's Gospel, in to the twisted mess that is taught in the churches. So many will be lost for eternity - although they sincerely believed the subtle lies because they didn't read the scriptures enough for themselves. KEEP STUDYING!!"

Calvinism, Or A "By Chance" Priest?

"By Chance." Two pesky little words that drive the Calvinists bonkers!

Trey addresses the question "Does God orchestrate everything that happens in our lives (as the Calvinists claim), or can some things happen 'by chance'?" (as God says)

Luke 10:31 "by chance."

2 Samuel 1:6 "by chance."

Does God cause flat tires, or could it have been the nail in the driveway?

Perhaps we should stop looking for God in our circumstances (where He is NOT), and look for Him in His Word (where He IS.)

Trey also reminds us that just because God KNOWS who is going to Heaven and who is going to Hell, doesn't mean He CHOSE who is going to Heaven and who is going to Hell.

## Featured Bible Question

**Q:** Do you think Peter and the other 11 preached the same gospel as Paul after Acts 15? Since in Gal 1 Paul put a curse on anyone

preaching another Gospel.

**A:** No.

Let's look at the scriptures:

*Gal. 1:8 But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. 9 As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed.*

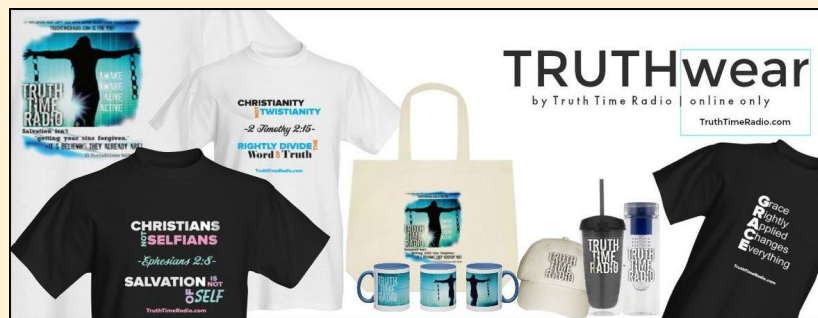

Paul told the Galatians that anyone who preached another gospel unto them than what they had already received and believed (Paul's gospel) that person should be "accursed."

In the very next chapter, Gal. 2:7-9, Paul clearly states that his gospel is to the gentiles (uncircumcision) and Peter and the 11's gospel is to the circumcision.

These are 2 different gospels, 2 different audiences.

The instruction here is that the gospel of the circumcision should not be preached to the uncircumcision. Peter and the 11 continued to preach their gospel to the circumcision, and Paul continued to preach his gospel to the uncircumcision, per Gal. 2:9.

Thanks for listening and for your question.
