COMMUNITY IMPACT REPORT

2025-2026

A MESSAGE FROM THE PRESIDENT & EXECUTIVE DIRECTOR

Pat Burke
President

Kathy Walrath
Executive Director

Last year marked a defining moment for the Friends of Nobska Light—one that honored years of dedicated leadership while positioning the organization for its next phase of stewardship and growth. Together, the Board, staff and volunteers helped guide the organization through some of its most significant achievements, including critical preservation and rehabilitation work, foundational planning for a future maritime museum, and, most notably, the successful transfer of the deed from the federal government to the Friends of Nobska Light. With that milestone, the organization became not only caretaker, but also the proud owner of Falmouth's historic lighthouse.

These achievements are already felt in the community every day. Nobska welcomes a multitude of visitors from across the country and around the world who come to enjoy guided tours, take in the well-maintained vista overlooking Vineyard Sound, and learn more about the lighthouse's maritime heritage. Through the museum and the educational programs offered, the Friends of Nobska Light extend the value of this historic landmark beyond preservation alone—creating meaningful opportunities for discovery, connection, and appreciation for generations of residents and visitors alike.

As we look to the future, we do so with gratitude for the extraordinary work that has brought Nobska Light to this point and optimism for the opportunities ahead. Supported by dedicated staff, volunteers, generous donors, and a committed Board, we are well positioned to build on our accomplishments and continue shaping a vibrant future for this treasured landmark.

With gratitude,
Pat & Kathy

HIGHLIGHT OF 2025

In a landmark moment that will forever define the Friends of Nobska Light, July 21, 2025 marked the most monumental achievement in our organization's history. After two years of relentless application writing, revisions, site visits, and a comprehensive review by the National Park Service, we officially received the deed for the four-plus acres of land and buildings associated with Nobska Lighthouse Station — transferred from the Federal Government under the National Historic Lighthouse Protection Act. This historic transfer represents the crowning achievement of 2025 and stands as an unprecedented milestone for our organization. Stakeholders from across the nation gathered on September 15, 2025 for a celebratory deed transfer ceremony, marking a new chapter in the preservation of one of Cape Cod's most beloved landmarks.

2025 KEY FINANCIAL DATA

Total revenue of $665,468 surpassed budget expectations, driven by the overwhelming success of the first annual fundraising event, Taste of Cape Cod®. Individual and foundation donations accounted for $545,484, with the number of constituents increasing by 8% — reflecting growing community support for our mission. Grants and other sources contributed an additional $119,984. On the expenditure side, nearly half (47%) of spending supported the organization's core mission of preservation and maintenance. Salaries accounted for 27%, utilities, insurance, and related costs comprised 15%, and fundraising expenses remained lean at 11%, reflecting efficient stewardship of donor contributions.

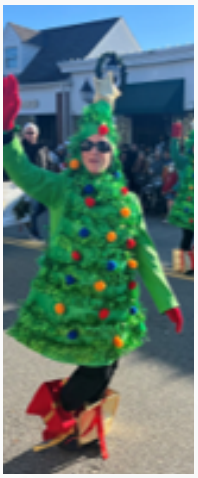

2025 Taste of Cape Cod® Committee

VOLUNTEERS

During 2025 and 2026 our volunteer force surged to an extraordinary 123 members — a remarkable 23% leap that signals a groundswell of community passion for our mission. These dedicated individuals pour thousands of hours into programming, education, events, facilities, museum development, operations, fundraising, and grant writing — forming the very backbone of everything we accomplish.

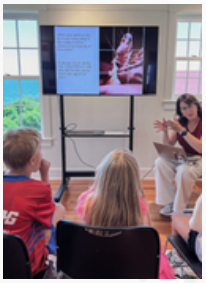

SHARING MARITIME HISTORY

Alongside the public tours available from June to early October, we continued to expand our educational initiatives led by Donna Garcia in collaboration with Alexis Wrede, Kathy Walrath, Bridget Cammarata and our volunteers. Programs from 2025 through October of 2026 include:

- Falmouth High School Art Experience and Show
- 250th Tour: Oliver Slochum Saves Falmouth
- Resilient Woods Hole: Talk with Dr. Paul Speer
- Elizabeth Sheehy: Book Signing and Discussion
- Karen Rinaldo: Artist Discussion and Print Signing
- Kimberly Ulmer: The Remarkable History of Penikese Island
- Resilient Woods Hole Trail Walk: Guided Tour
- National Lighthouse Day: Children's Photo Program
- Russ Webster: Book Discussion
- Little Lighthouse Keepers: A Series of Four Interactive Experiences in Partnership with the Children's Coalition
- Holiday Maritime Gift Making for Children
- Winter at the Lighthouse: Boats, Buoys and Bells Ring in the New Year
- Children's Sailor's Valentines Workshop
- Spring 2026 Children's Workshop Series (Interactive Experiences in Partnership with the Children's Coalition)
- Martha's Vineyard High School Student Lecture & Tour with Kathy Walrath
- Virtual Talk: Tim Walker
- Girl Scout Programs
- National Lighthouse Day Programming
- Fall 2026 Children's Education Series (Interactive Experiences in Partnership with the Children's Coalition)

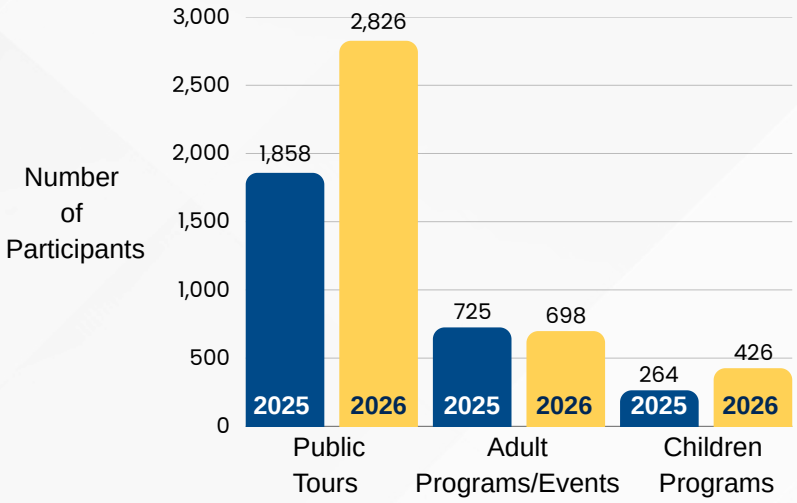

NUMBER OF LIVES TOUCHED

A remarkable achievement in expanding access and sharing Nobska's rich maritime history: staff and volunteers engaged over 2847 individuals through educational or community events in 2025, and 3950 as of November 1st in 2026. This growth represents a meaningful milestone in fulfilling our mission, bringing maritime history to life for a wider community.

PRESERVATION & MAINTENANCE

Alongside our commitment to public access and education, we remain dedicated to preserving and maintaining Nobska Lighthouse Station. We are deeply grateful to the donors whose generosity supported the following projects in 2025 & 2026. Your support is an investment in Nobska's future, helping care for this treasured landmark and sustain the opportunity for others to experience its maritime heritage. Thank you for making this work possible:

- Exterior Tower Painting
- Interior Tower Metal Painting
- Tower Window Restoration
- Installed Customized Bricks
- Holiday Wreath Repair
- Basement Sealing
- Invasive Plant Mitigation
- Replacement of Public Stairs Leading to Tower

HONORING STEVE LEVY

Director, Friend and Donor

As Steve Levy completes his term on the Board, Friends of Nobska Light thanks him for his years of service and recognizes the support he and his wife, Sandi, have given to Nobska.

Steve served on the Board since inception in 2015 when the vision for Nobska's future was still taking shape.

During his Board service, Steve recruited others with needed expertise to join the organization. As the restoration of the original building raised difficult questions about preservation and funding, he advocated for retaining and restoring it.

Steve also supported engaging professional design firms, and he and his wife, Sandi, personally funded that foundational work. Their financial support continued as the organization's work progressed.

The Friends of Nobska Light also gratefully acknowledges Steve and Sandi's generous naming-rights donation for the Keeper's Room in the Maritime Museum at Nobska. This gift made as Steve completed his tenure on the Board of Directors honors their connection to this historic site.

Sandi Levy, Steve Levy, Pat Burke & Kathy Walrath
2026 Annual Meeting of the Board

As his Board term concludes, we thank Steve for the time and resources he has shared with Friends of Nobska Light. We thank both Steve and Sandi for their continued generosity. As a neighbor of Nobska, Steve remains connected to the place whose preservation he has supported.

With gratitude, we recognize his completed Board service and the gifts he and Sandi have made to Nobska.

SUMMARY

This report highlights the collective effort behind our progress: the dedication of our staff and volunteers, the generosity of our constituents, and collaboration with local business and community partners. Together, we continue to expand our programs and broaden access to Nobska Lighthouse Station.

Our financial position remains stable and debt-free, supported by a commitment to disciplined cost management and increased reserves. These efforts reflect our ongoing commitment to preserving Nobska and offering programming rich in maritime history.

A LOOK AHEAD

The Friends of Nobska Light is focused on three priorities that connect preservation, public access, and maritime discovery:

1. Expanding operations and public access
2. Preserving and maintaining this iconic site
3. Developing the maritime museum at Nobska

These priorities chart an exciting path forward for Nobska. We will explore creative ways to extend open hours at both the Keeper's House and Tower, giving more visitors the opportunity to experience this iconic site. We will also explore preservation and rehabilitation of the Radio Building and Oil Shed, acquired through the 2025 deed transfer, while continuing to develop exhibits that bring the maritime history surrounding Nobska Lighthouse to life. We look forward to working with our community on turning these ambitions into lasting opportunities for preservation and discovery. Join us in shaping Nobska's next chapter.

VISION

Friends of Nobska Light, Inc. is committed to serving as the new keeper of Nobska Light Station to ensure that Nobska remains a "beacon" attracting people to the Falmouth area, inspiring them to learn more about our maritime history, and educating a wide audience about our seafaring heritage.

MISSION

We are committed to save, restore, and preserve Nobska Light Station, to enhance the visitor experience with a maritime museum, and to share Nobska's Story with future generations.
