## REF: PILGRIMAGE TO ISRAEL BY EUPHORIA DESTINATIONS.

My name is Bishop Morrison Mwangi from East Africa Kenya with a church based in Nairobi, Kenya.

I went on a pilgrimage tour with Bishops from Kenya-Feleco Brethren in April 2014 for 11 nights, 12 days organized by Mary Ann through her company Euphoria Destinations.

Mary Ann worked with us from the very start to the end creating a personalized itinerary, which accommodated the places we liked to visit as it was important for us and our ministries.

We travelled to Egypt, visiting some Christian sites, and started our journey just like the Israelis from Egypt to the Promised Land. It was a wonderful journey through the desert and had wonderful fellowships as we journeyed.

The tour to the Holy land was of course the icing on the cake, and it actually made the bible alive as we toured historical and Christian sites and ending our tour with a Communion Service at the Garden Tomb.

Mary Ann organized the tour very professionally, having the itinerary as per our request with on time transfers, good hotel accommodations, good tour buses and excellent tour guide who fed us with so much information on historical, geographical and biblical knowledge.

I was very impressed with the work Mary Ann did on organizing the tour that I recommended her to the President of Africa-Initiative Church, and she organized a tour for a group of 89 members in August 2014.

I do highly recommend Mary Ann-Euphoria Destinations. She gives the best service and very good rates too.

Yours Faithfully,

Morrison Mwangi
