REF: Pilgrimage Tour to Israel organized by Euphoria Destinations.

I was among the Pastors that went on the tour to Israel under the umbrella of Africa-Israel Initiative group in August 2014.

Mary Ann organized the tour very well considering it was a group of 89 members from different parts of Africa. The tour was divided into two groups thus two tour buses as we had members who only spoke French and the other group English.

Mary Ann made sure we had French and English-speaking tour guides which made it so easy for every member on the tour to enjoy and understand the explanations of the sites we were visiting.

Mary Ann took control of the whole group making sure that everyone was happy and any looked after the group like a shepherd guiding her flock and keeping up with the itinerary and all sites visited on time.

I was amazed at her work and organization that I had Euphoria Destinations organize another tour for my church from Rwanda in October 2015 for the Feast of the Tabernacle.

I do recommend her anytime as she has that passion for Israel and won't let you down.

Yours Faithfully,

Prophetess Kayitesi Grace
